Start Well	Live Well	Age Well
<input checked="" type="checkbox"/> Improving outcomes during maternity and early years	<input checked="" type="checkbox"/> Reducing the rates of cardiovascular disease	<input checked="" type="checkbox"/> Improving places and helping communities to support healthy ageing
<input checked="" type="checkbox"/> Improving mental health support for children and young people	<input checked="" type="checkbox"/> Improving mental health support for adults particularly for those at greater risk of poor mental health	<input checked="" type="checkbox"/> Improving mental health support for older people and reducing feelings of social isolation
<input checked="" type="checkbox"/> Reducing the prevalence of obesity in children and young people	<input checked="" type="checkbox"/> Reducing the prevalence of obesity in adults	<input checked="" type="checkbox"/> Increasing the physical activity of older people

1. Purpose of report

The Integrated Care Board (ICB) wants effective engagement and partnership at the heart of its thinking, planning and delivery. This report provides an update on the progress on the development of the Board, integration with partners along with development of the more local 'Place' based partnership.

The report can be found below.
