\* By mutual agreement between Group Leaders, the Alliance Grouping seat on Area Planning South will be taken up by the IMPACT Alliance

Figures in brackets show the original calculated proportionality seats. Due to rounding, this results in an under-allocation for the Conservative Group of 4 seats, an over-allocation of 2 seats for the Alliance Grouping, and an over-allocation of 2 seats for the IMPACT Alliance Group. Figures in bold indicate where committee seats have been manually adjusted with the agreement of Group Leaders to arrive at the correct committee seat entitlements for Groups overall.

#### Final allocation of seats on other committees and outside bodies

Committee	Size	Conservative	Alliance Grouping	IMPACT Alliance
Buckinghamshire & Milton Keynes Fire Authority	12	9	2	1
BOB (Buckinghamshire, Oxfordshire and Berkshire West) Joint Health Scrutiny and Overview Committee	6	<b>4</b> (5)	1	1
Chilterns Conservation Board	5	4	1	<b>0</b> (1)

Figures in brackets show the original calculated proportionality seats. The proportionality calculations result in an over-allocation of one seat to the BOB Joint Health Scrutiny and Overview Committee and Chiltern Conservation Board – in each case, the most marginal seat is lost (adjusted figures are shown in bold).
