

APPENDIX A

REQUESTS FROM PARISH COUNCILS, GENERAL PUBLIC etc CHILTERN LOCAL COMMITTEE 30 January 2001		PRIORITY FOR INVESTIGATION	COMMENTS
1. Miscellaneous			
1.1 Chalfont St Peter	Bull Lane/Orchehill Avenue. Request from the Parish Council to undertake a visibility improvement at this junction.	H	The current landowner supports this proposal provided the County Council meets the cost of re-aligning the boundary fence. Previous landowners have not been co-operative with regard to this scheme. It is considered that a visibility improvement at this junction would benefit all road users.
1.2 Chesham	East Street/Red Lion Street. Request from the Town Council to introduce a 'No Right Turn' restriction from East Street to Red Lion Street.	L	This type of restriction has been considered in the past, but it was felt that the removal of 'right turns' at this junction would make East Street and The Backs an attractive rat-run for southbound drivers.
1.3 Amersham	Lane Wood Close. Request from local District Councillor on behalf of local residents for the removal of the wide paved area to improve the parking layout.	L	It would not be possible to provide a parking area and retain the footway around this section of Lane Wood Close.
1.4 Little Kingshill	Nags Head Lane/Windsor Lane. Request from the Little Kingshill Village Society for a mini roundabout.	L	Petition - see report
