

Flytipping and Abandoned cars

Chiltern Local Committee

4 April 2001

contact officer: Jim Stevens

01494 586602

1 Purpose of report

- a To give Members notice of the intention to present a full report about flytipping and abandoned vehicles to the next meeting of the Chiltern Local Committee.

2 Proposed action

- b The Local Committee is invited to
 - i. NOTE the areas that it is intended to include in the report
 - ii. GIVE feedback on other issues that Members wish to see covered.

3 Supporting information

- c The January meeting of the Chiltern Local Committee requested that a joint report with Chiltern District Council on flytipping and abandoned vehicles be prepared.
- d Unfortunately the difficulties resulting from significant staffing shortages, compounded by the need to deal with problems caused by the extreme weather conditions, mean that it has not been possible to produce the full report in time for the April meeting.
- e The full report will be brought to the next meeting of this Committee. It is intended that this will cover the following issues:
 - what is the current situation and why it is happening
 - who is responsible for dealing with removal and disposal
 - powers to prosecute
 - current work by District Councils and Buckinghamshire County Council and plans for future action
 - contact points
- f Feedback from Local Committee Members would be welcomed regarding any other issues they would like to see dealt with in the report.
