

Lifelong Learning Select Committee

The School Organisation - Education Service Plan

Recommendation

1. That consideration be given to reducing the number of targets aimed at specific areas.
2. That there needs to be greater transparency in how the strategic aims of the Council are linked into, and supported by the plan.
3. The presentation and style of the plan should be simplified to improve comprehension.
4. Comparison with the targets of current and previous achievements must always be included.
