

► CONTACTS

The Economic Development Unit at Buckinghamshire County Council is dedicated to creating and maintaining a prosperous, modern, diverse and sustainable economy in the County. It recognises that this objective must balance the requirements of business, the workforce, customers, residents and the environment.

To achieve this vision, the Council's ED Unit formulates strategies in partnership with the District Councils in the County, Thames Valley Enterprise, Milton Keynes Chambers of Commerce and the Economic Partnerships of Milton Keynes, Thames Valley and Buckinghamshire.
