

BUCKINGHAMSHIRE SWAN AWARDS 2006 –APPLICATION FORM

INNOVATION IN SUPPORTING PUPILS IN BEING HEALTHY

The 2006 Awards are for schools which have developed creative, imaginative initiatives that:

- actively involve pupils, parents and external agencies
- support a number of the aims of this aspect of Every Child Matters. These aims are: supporting children and young people's physical health, mental and emotional health, sexual health, healthy lifestyles, and choosing not to take illegal drugs.
- are well established, sustained and integrated with the work of the school
- will continue and develop further

Name of school:.....Name of contact person in the school		
Name of initiative:		
Supporting information. This will provide the basis for discussion on the visit(s)		
	Initiative	Examples of evidence which might be shown on the visit
Briefly describe the initiative and who was involved (or attach an existing description). Show how it relates to the criteria. In particular, note: <ul style="list-style-type: none"> • Which aspects of health does it support? • Who are the partners? • How long has the initiative been established? • How will it develop in the future? 		
What were the outcomes? How did the project help the pupils?		
Name and contact details of an external person who could support the application. (This is optional)		

Please return to Pauline Cue, School Improvement Service, County Hall, Aylesbury, HP20 1UZ by 20th December, 2005
