Dear Mr. Appleyard

I write to register an objection to the County Council's proposal to amalgamate Bengefield and F. School schools. I believe this to be a short sighted and ill advised decision since development plans for the town will almost certainly lead to a need for more school places, not less.

The subject needs a more thorough airing and the public ought to be given the opportunity to debate it fully.

Yours sincerely
Jul Phillips

I am writing to acknowledge the receipt of your letter dated 4 March 2001 in which you register an objection to the County Council's proposal to amalgamate Berryfield and Icknield schools.
