Supporting Information

At the last meeting of the Committee in January it was agreed that it would be helpful to have some background information on schools changing category (eg from controlled to aided or from community to foundation) and, in particular to consider advantages for children arising from such a change.

It was also agreed that the matter should be discussed at the April meeting and that Mr Sullivan should have an opportunity to give a presentation on the matter.

For the information of members of the Committee, a briefing paper on Change of School Category is attached as an annex to this report.
