Dear Andrew

I am writing on behalf of the St Leonards PCC to you in your capacity as the Chairman of the Governors at Hawridge and Cholesbury C of E School.

At the PCC meeting on 15 January, we discussed the proposed change of status of the School and you were kind enough to answer a number of questions that PCC members raised.

After the discussion, it was the unanimous view of those present that the Secretary should be instructed to write to you to indicate the PCC's support for the plan to change the status of the School. This letter therefore is intended to convey this support and may be made available to whomsoever you feel is appropriate.

I hope the open meeting in February goes well.

Yours sincerely

Michael Joseph
Secretary

Dear Andrew

Thank you very much for the copy of your informal consultation paper on a change of category from Controlled to Aided Status.

The Diocesan Board has always had a very positive and fruitful relationship with Hawridge and Cholesbury Church of England School. It recognises the existing strong and good links between the school and the local Church. In becoming an Aided School I believe these existing good relationships would become stronger and develop even further.

The Diocese also values its relationship with Bucks LEA. As it already works happily with the LEA with its existing Aided Schools, the Diocese would similarly expect that good partnership to continue.

I wish you well with the process and thank you for consulting us.

Very best wishes

Danny Sullivan
Director of Education
