

Tusting, Andrew

From: Burnham Upper**Sent:** 10 July 2003 15:18**To:** Tusting, Andrew**Subject:** School Organisation Plan with particular reference to Burnham Upper School

Section 7.3 - re housing Planning Area Burnham and surrounding villages - does the summary of housing developments include postal areas SL1.6, SL1.4 and SL2.2 which could affect Burnham Upper School?

Appendix 1 - Planning Area 9

Section 9.2 - indicates 6 feeder schools to B.U.S, whereas there are 14, 9 in Bucks, 5 in Slough (2 of which are large schools feeding significant numbers to B.U.S) - (see comment below concerning Section 9.5)

Section 9.5 Commentary on 2008 projections

Section 9.4 - as comments above re Section 7.3

Section 9.6 - the summary table omits:-

- a) Iver Village Junior)
- Iver Heath Junior) Bucks Schools feeding B.U.S
- Stoke Poges)

- b) Cippenham Middle)
- Claycots Primary) Slough schools - of which
- Lynch Hill Combined) latter two are large schools
- Our Lady of Peace Middle) feeding significant numbers into B.U.S
- Priory School)

School Organisation response

Item 3: Burnham Upper

Point 1

The developments included in the total referred to are for sites within Buckinghamshire that we have received notification of, from respective Buckinghamshire District Councils. The three postcodes mentioned are for developments located outside of Buckinghamshire and therefore would not be included in Buckinghamshire's SOP.

Point 2

The schools listed (Iver Village Junior, Iver Heath Junior and Stoke Poges) are actually located within Planning Area 10, which is why they are not shown within Planning Area 9. To try to clarify the situation a note has been added under Planning Area 10 stating that a number of schools from Planning Area 10 feed into Burnham Upper.

Feeder schools from outside of Buckinghamshire are not included in the pupil projections although an adjustment is made for the number of pupils coming into Buckinghamshire from outside the county. In particular a number of these pupils and those from other planning areas feed into Burnham's Upper or Grammar schools.
