3 Supporting information

- 3.1 The Council is required to approve and adopt the Final Accounts at a formal committee meeting.
- 3.2 The Final Accounts were approved by Cabinet on 26th June 2007. The final amendments have now been agreed with the External Auditors. A table of these together with the amended accounts are still being printed. A full version will be placed on the AVDC web site, to which all members have access and paper copies will be provided at the Committee meeting.

4 Reasons for Recommendation

- 4.1 The Final Accounts are a public document which requires formal reporting and adoption by a full Committee of the Council.
