

CABINET

16 June, 2015

PRESENT: Councillor N Blake (Leader of the Council); Councillors Mrs J Blake, Mrs Macpherson, Mordue, Mrs Paternoster and Sir Beville Stanier.

APOLOGY: Councillor Bowles (Deputy Leader)

1. MINUTES

RESOLVED –

That the Minutes of 7 April, 2015, be approved as a correct record.

2. REPRESENTATIVES ON OUTSIDE BODIES : CABINET APPOINTMENTS

RESOLVED –

(1) That the appointments referred to on the schedule submitted, together with the three updates referred to below, which are the responsibility of Cabinet, be agreed for the four year life of the Council :-

- Delete Aylesbury Town Centre Executive Board (now part of the Aylesbury Town Centre Partnership).
- Add Aylesbury Vale Legacy Board – Councillor N Blake and Chief Executive.
- Add Bucks Advantage – Chief Executive.

(2) That the Democratic Services Manager, after consultation with Group Leaders, be authorised to approve the filling of the vacancies shown on the schedule submitted and any others that might arise following this meeting.

3. IVINGHOE CONSERVATION AREA DESIGNATION

Ivinghoe Parish Council had commissioned this Council to review the Ivinghoe Conservation Area. The original designation had taken place in 1971. A copy of a map showing the proposed revised Conservation Area boundary was submitted. Copies of the draft Appraisal Document had been placed in the Members' Lounge. The Cabinet report summarised the legislation and guidance relating to the designation of Conservation Areas.

The Conservation Area Appraisal Document defined the special interest of Ivinghoe, identified those features which made Ivinghoe of sufficient interest to warrant designation, and laid out some settlement specific management proposals for the preservation and enhancement of the Conservation Area.

The proposed Conservation Area boundary at Ivinghoe had been drawn to include those elements and features which were considered to be of architectural or historic interest, or which positively contributed to the special character of the area as a whole. The report summarised the inclusions within the proposed Conservation Area

and incorporated a summary of the Management Plan, as well as a description of the consultation process and Officers' responses.

Cabinet was addressed by the Chairman of Ivinghoe Parish Council in support of the proposal and by an architect representing a local land owner seeking the exclusion of his client's property from the proposed Conservation Area.

RESOLVED –

- (1) That the responses to the consultation be noted.
- (2) That the Conservation Area boundary as shown on the Appendix to the Cabinet report and the Management Plan be adopted.
