CORPORATE RISK REGISTER – JUNE 2017

1 Purpose

1.1 To report to Cabinet on the updated Corporate Risk Register.

2 Recommendations/for decision

2.1 To consider and note the Corporate Risk Register and identify any issues for further consideration.

3 Corporate Risk Register – Supporting information

- 3.1 The Corporate Risk Register provides evidence of a risk aware and risk managed organisation, and records and considers the significant risks it is believed exist that might hinder, or indeed prevent, the Council from delivering its statutory duties or core objectives.
- 3.2 The Register reflects the risks that are on the current radar for Transition Board. Some of them are not dissimilar to those faced across other local authorities.
- 3.3 The Audit Committee has a role to monitor the effectiveness of risk management and internal control across the Council and as part of discharging this role it regularly reviews the Corporate Risk Register.
- 3.4 The risk register is reviewed regularly by Commercial Board and reported to the Audit Committee. Additionally, it is now reported twice yearly to Cabinet for review to help inform the budget setting and monitoring process.

4 Reasons for Recommendation

4.1 To allow members of the Cabinet to review the Corporate Risk Register.

5 Resource implications

5.1 None.

Corporate Risk Register Update

The Corporate Risk Register (CRR) shows the key risks to the Council and the actions that are being taken to respond to these risks. The CRR is reviewed on a regular basis by Commercial Board and was last updated on 15 June 2017.

The CRR is reported to Audit Committee and at their meeting on 14 November 2016 it was resolved that "Cabinet be recommended to review the Corporate Risk Register, a minimum of twice yearly and, as a part of setting and monitoring the Council's budget, and to report back to the Audit Committee on risks with an overall rating of high or extreme". The CRR was last presented to Cabinet on 30 November 2016.

There are **21 risks** on the corporate risk register. The residual risk rating is summarised as follows:

Capacity to Manage

Capacity to Manage	Description
Full	Full – all reasonable steps have been taken to mitigate the risk and are operating effectively. The cost / benefit considerations on implementing additional controls have been considered and no additional actions are proposed.
Substantial	Substantial – there are sound arrangements to manage the risk with some scope for improvement. Arrangements have had a demonstrable impact in reducing either the likelihood or consequence of the risk.
Moderate	Moderate – there are a number of areas for improvement in arrangements that would help to demonstrate effective and consistent management of the risk.
Limited	Limited – there are significant areas for improvement in arrangements that would help to demonstrate effective and consistent management of the risk.
None	None – there are a lack of clear arrangements in mitigation of the risk.
