### 3. 17/03292/APP - LAND ADJ. WAYSIDE, OVING ROAD, WHITCHURCH - SITE VISIT REPORT

RESOLVED –

That the application be **Refused** as the proposed development comprised a new dwelling on land in the countryside outside the built-up limits of the village. The site was not substantially enclosed by built development and the proposed dwelling along with the use of the site for residential purposes represents an intrusion into the countryside that would result in the significant reduction of a visually significant gap would harm the attractive quality of the surrounding rural landscape that had been designated an Area of Attractive Landscape in recognition of its landscape value.

The proposal therefore conflicted with the Aylesbury Vale District Local Plan policies GP35, RA2 and RA8 and failed to accord with advice in the National Planning Policy Framework.
