

APPENDIX C
Agenda Item No. 6

QUARRENDON SCHEDULED ANCIENT MONUMENT WORKING GROUP

1.0 Purpose and For Decision

- 1.1 The Committee is asked to consider the membership of the above Working Group.

2.0 Terms of Reference

- 2.1 The purpose of this Informal Group is:

“To consider and make recommendations on the relationship between the MDA development and the conservation and interpretation of the Quarrendon Scheduled Ancient Monument”.

3.0 Supporting Information

- 3.1 The Quarrendon Scheduled Ancient Monument Working Group comprises five Members: 2 Conservatives, 2 Liberal Democrats and 1 Independent Member. This Committee usually nominates two Members, with Group Leaders nominating another one each.
- 3.2 The present Group comprises Councillors Blake, Ghent, M Griffin, Jennings and Newman.
- 3.3 With the recent changes in Committee memberships, only one of the present Group is a Member of this Committee. This does not present any particular problem but the Committee needs to confirm that it is happy that only one Member of the Committee would serve on the Working Group. The Committee may feel that the existing Members of the Working Group should continue given the level of knowledge they have built up in relation to this issue.
- 3.4 The Consultants’ report on the Monument is due shortly so there will be a need for a meeting of the group soon to consider it.

4.0 Resource Implications

- 4.1 None.
