Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

The Market Square is in view of the CCTV from all directions, this with added police presence ensures that crime/dishonesty is at minimum or zero. Public safety and nuisance is also deterred by these measures and children are not present after 8pm.

b) The prevention of crime and disorder

CCTV is present in the car park, awareness of crime and disorder the police can be alerted from the premises.

c) Public safety

Everything is done or best practice to reduce the likelihood of public harm all equipment and premises are regularly checked by the local authority.

d) The prevention of public nuisance

Public nuisance is minimum due to the fact that there is no listening and no music is played on the premises.

e) The protection of children from harm

There are no children present in the area and those that are accompanied by adults.

Notes for Guidance

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day, e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

Application for Premises licence Market Square Van Aylesbury.

The Aylesbury Vale Police area wishes to formally object to the proposed operating hours for Market Square Van in their application for a Premises Licence.

The Market Square Van currently operates subject street licence issued by the local authority with the removal of the van from the square by 1.15 am Monday to Thursday and 3am Friday and Saturday

This application is for the following hours: Monday to Thursday 6pm to 1.30am the following day. Friday and Saturday 6pm to 3.30am the following day.

The town centre (as defined by the inner Ring road) contains a large residential population of well over 550 residents.

The Market Square Van is situated at the bottom of Market Square, Aylesbury. It maintains a focal point for people leaving nearby licensed premises and persons moving through the town centre at the end of their evening entertainment.

It is an accepted rationale within the field of Community Safety and Town Centre Management that certain types of premises or night time activity when combined with alcohol/licensed premises can have an impact on public safety by providing a 'rubbing point'. Market Square has for many years suffered from this problem due to its licensed premises and take-away establishments. We have concerns because of our operational experience of policing Market Square and other town centre hot-spots.

Take-away establishments by their very nature attract large numbers of patrons at the end of an evening drinking in the town centre. As a result people congregate around the take-away or immediate vicinity after licensed premises have closed. Alcohol and the close proximity of people invariably create the 'rubbing point' effect and this leads to public disorder situations.

The existing town centre public houses have a significant capacity and there is a potential for approx 5,500 persons to be migrating about the town during the evenings and early hours of the morning. The sale of alcohol in the town generally ceases by 02.00 a.m. by which time most premises are closed. A few remain open for a further half hour for a wind down period. Unfortunately as a result of applications under the new act we no longer have voluntary staggered hours of the town centre premises and this means that the 5,500 persons could be in the town and exiting premises at 2am to

At the present time only one town centre public house is operating at a later time closing its doors at 03.30 a.m. on Fridays and Saturdays although the sale of alcohol ceases at 0200.

As can be seen by the application The Market Square Van are asking for longer hours on Fridays and Saturdays it would appear that this is to cater for the one public house which remains open.

Although these premises do not sell alcohol they do result in retaining those that have consumed it in the town thus adding to cumulative impact. Whilst all applications should be judged on their own merits it is important to consider the cumulative impact that this application will have after 2am.

Since 1999 the profile of the town centre has changed significantly with new licensed premises and a gradual extension of licensing hours. These changes have lead not only to a significant increase in drink related incidents but incidents taking place at a later hour. The figures shown below show the increase in offences within the town between the hours of 10pm and 3am. Most of these incidents took place in the street and not inside licensed premises.

The figures shown demonstrate impact of alcohol within the inner ring road. These figures will only record the incidents that have been captured on the Police crime and Command and Control data bases which require a Police response. Many incidents of lower level anti-social behaviour which could be attributed to alcohol will not be recorded.

1999 only two late night venues = 291 incidents
2000 increase in premises with later hours = 439 incidents reported to police
2001= incidents reported 473
2002= incidents reported 487
2003= incidents reported 492.
2004= incidents reported 514.

It should be said that all of the above reflects on other emergency services such as Two Shires Ambulance and Stoke Mandeville Hospital Accident and Emergency Department. Some of the below incidents have involved these services.

The below list are incidents that are connected to the premises or that have been reported as in close proximity within Market Square over the past 12 months.

The majority of these offences have occurred at weekends and most required two or more police units to resolve. It can be said that some are of a minor nature but nearly all involved violence or disorder.

8 of the above occurred on a Friday Night.

13 on Saturday night.

18 in the early hours of Sunday morning.

Whilst not wishing to interfere with the commercial interests of these premises it must be remembered that Market Square and the surrounding area are a mixed use environment both residential and commercial, it is known that these and like premises encourage people to remain in the area or attract people who would normally take a different route home. It is not suggested that all of these people will commit crime or anti social behaviour. But at the very least an increase in hours will increase the amount of people using the facility for a longer period. Thus increasing the disturbance, noise and nuisance to people living in the town. It could be said that if the hours asked for matched licensing hours i.e. Alcohol sales ending at 2am this would attract people to leave licensed premises earlier which will result in the town being quieter earlier.

A report compiled by the Area Crime Analyst is attached to support the objection.

A senior police officer will attend the hearing to make the objections.

Alcohol Related Disorder in Aylesbury Town Centre 01/07/04 – 19/09/05

Requested by: Trevor Hooper, Warrants & Licensing

Produced by: Emily Woodward-Cunningham, Area Crime Analyst Aylesbury Vale

Date: 19th September 2005

Version 2

Introduction

This report aims to provide an analysis of alcohol related disorder within Aylesbury town centre for the period 01/07/04 – 19/09/05 for recorded offences. Due to the large number of incidents reported to police the time period for those included here was 01/01/05 – 19/09/05 for the locations Kingsbury, Market Square, Exchange Street and Cambridge Street.

It identifies not only the offences of Common Assault, Assault Occasioning Actual Bodily Harm (ABH), Assault on a Constable Grievous Bodily Harm (GBH) and Public Order but also includes analysis of non recorded incidents such as noise and general disturbance resulting from alcohol intake.

Of particular focus are the areas of Kingsbury, Market Square, Cambridge Street and Exchange Street which represent those locations accommodating the highest proportion of town centre licensed premises.

Analysis focuses on offence types, locations, days and times.

All data was taken from CEDAR and Common & Control and is accurate at the time of writing.

Results

There were 411 recorded offences for the period 01/07/04 – 19/09/05 and 112 incidents for the period 01/01/05 – 19/09/05.

Table 1 shows that the most commonly occurring offence types were Public Order and ABH, however there were a high number of Assault on a Constable offences highlighted. The most common incident type was fighting.

Table 1: Offence and incident types and numbers

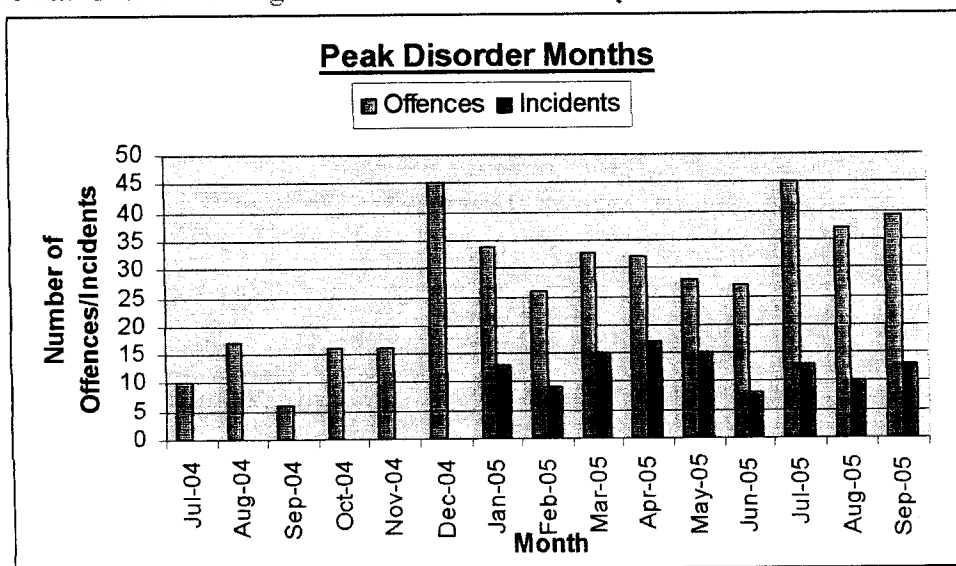

Offence	Number	Incident Type	Number
Common Assault	28	Fight	79
ABH	147	Disturbance	25
Assault on a Constable	23	Other	8
GBH	0		
Public Order	213		
Total	411	Total	112

Offence Days/Times

Figure 1a shows that Disorder offences have increased in 2005 from 2004. December and July have seen the highest number to date however this may be due to increased attendance at licensed premises over the Christmas and summer periods. Offences saw a gradual decrease from May to June however there has been a rise during the months of July to September due to warmer weather which has historically had an adverse effect on the number of alcohol related offences.

Reported incidents have shown a similar gradual decline however have not increased through the summer.
