### **Licensing Act 2003 – Representing from the Licensing Authority Premises: Buckingham BP Connect, Stratford Road, MK18 1NY**

I am submitting this representation on behalf of the Licensing Authority in respect of this application to vary the Premises Licence to extend the permitted hours for the sale of alcohol.

The premises is currently licensed to sell alcohol between 08:00 and 23:00 and provide late night refreshment between 23:00 and 05:00. The proposal is to extend the permitted hours for the sale of alcohol to 24 hours a day, 7 days a week.

The premises is located approximately 300 metres from the centre of Buckingham on the south side of the A422. There are a significant number of residential dwellings within close proximity. The premises is located within the special Buckingham Town Centre 'Terminal Hours Policy' area. This policy states that applications to open beyond midnight will normally be refused unless the applicant satisfies the licensing authority that it can operate without harming the licensing objectives and any application to open beyond 1:30am will be refused.

While it is acknowledged that the premises can currently trade 24 hours, 7 days a week, without a licence, we are concerned that the availability of alcohol for the proposed extended hours presents additional risk to the promotion of the licensing objectives. Paragraph 4.7 of the Licensing Authority's policy acknowledges that there may be good reason to restrict hours in respect of 'off sales' at shops, stores and supermarkets in certain locations such as Buckingham Town Centre.

The premises is located a relatively short walking distance from the centre of Buckingham. Buckingham is home to a number of licensed and 'late' licensed premises. The 'late' licensed premises are summarised below:

Premises	Latest hour for licensed activity	Distance from Buckingham BP Connect
The Three Cups, Bridge Street MK18 1EL	00:00 Thur-Sat (23:00 Mon-Sat; 22:30 Sun)	500m (7 mins walk)
The Granary, 13 High Street MK18 1NT	0100 Fri-Sat (00:00 Mon-Thur; 22:30 Sun)	220m (3 mins walk)
Kings Head, Market Hill MK18 1JX	01:00 Fri-Sat (00:00 Thur, 23:00 Sun-Wed)	400m (5 mins walk)
Buckingham Inn, Market Hill MK18 1JX	01:00 Fri-Sat (00:00 Sun-Thur)	400m (5 mins walk)
White Hart, 1-2 Market Square MK18 1NJ	01:30 Fri-Sat (00:30 Mon-Thur; 00:00 Sun)	400m (5 mins walk)
Roosters Kebab House, 5 High Street MK18 1 NT	1:30 Fri-Sat (00:00 Sun-Thur)	220m (3 mins walk)
Kebab Van, Market Square	01:30 Fri-Sat (23:30 Sun-Thur)	400m (5 mins walk)

We are concerned that the availability of alcohol at the applicant's premises late at night will be attractive to patrons departing other locally licensed premises wishing to acquire more alcohol to prolong their

evening. Furthermore, in general the availability of late night alcohol is likely to be of interest to local revellers, including members of the local sizeable student community. The increased availability of alcohol is likely to lead to a substantial increase in visitors to this premises late at night, many of whom will be arriving by foot and/or will have already consumed alcohol. This will undoubtedly lead to an increase in nuisance and disorder types issues at the premises and in the immediate vicinity. Given the close proximity of residential dwellings, it is inevitable that local residents will experience disturbance.

The applicants have stated that due to the proposed measures in their operating schedule the variation in hours will not add to the cumulative impact referred to in the policy. We respectfully disagree. We believe that it is inevitable that the late night offering of alcohol at these premises, which is located in a residential area, a short distance from Buckingham town centre, will have an adverse impact on the promotion of the licensing objectives. The applicants have only offered minimal additional measures, essentially the provision of incident and refusal books and a proposal to close the door to customers between midnight and 5am if there is one member of staff on duty. In terms of preventing public nuisance the proposed measures have been reduced, notably the requirement to display prominent 'respect the neighbours' type notices has been removed and no alternate measures have been proposed.

In accordance with paragraphs 4.3 and 4.4 of the Licensing Authority's policy, the Licensing Authority's approach to determining licensed hours is to respect the right of residents to peace and quiet and in general will take a stricter approach to licensing hours in areas of higher residential density. It is recommended that this application be refused for the reasons given to best ensure the promotion of the licensing objectives.

Yours sincerely

Dear Sir or Madam,

I write to object to the application by BP Oil UK Limited regarding extending their off-license to 24 hours at their Buckingham garage on Stratford Road.

I have the following concerns regarding the social impacts of granting this change in license:

- This is a garage, and primarily used by motorists for refuelling. The sale of intoxicating substances in garages is a matter of some concern given the problem of drink-driving.
- The garage is surrounded by residences which are mainly filled by older people, for whom additional business late at night would be disturbing.
- Current licensing allows for purchase of alcohol during sociable hours, and the extending these to unsociable hours is likely have mostly unbeneficial social consequences, e.g. for problem or lone drinkers, or late-night revellers.

It is my view that the application by BP Oil UK Ltd does not address these concerns sufficiently, or demonstrate that significant benefit will be felt by the community to offset these negative likely outcomes.

I therefore object to the granting of an extension to their liquor licence to 24 hours, and request the licensing team to deny the application.

Yours faithfully,

I understand that an application has been received, or is in the process of being submitted, regarding the sale of alcohol over 24 hours. In my view alcohol should not be sold in garages for obvious reasons but we are where we are with it. To increase the hours of sale will be detrimental to the town and local residents as it will become a focal point when the supermarkets close and the pubs turn out. Hopefully you will decline this application.

Dear Sir or Madam

I am writing on behalf of the Buckingham Society to object to the application by BP Oil UK Limited to extend their off-license opening hours at their Stratford Road, Buckingham garage to 24 hours a day.

The Buckingham Society exists to try to ensure that Buckingham remains a good place to live and, it is our view, that granting this change would have a deleterious effect on the town and in particular the lives of people living nearby. Our concerns are as follows:

- This is a garage which, self-evidently, is mainly intended for motorists. It makes little sense to sell alcohol at all times of the day and night to people who will be in charge of motor vehicles. We are constantly, and rightly, warned about the dangers of drinking and driving so surely agreeing to this change would be a major hostage to fortune.
- The garage is in a residential area and many of the householders are elderly people. Additional business late at night is sure to be a major disturbance to them. It is surely unacceptable to even make possible the disturbance of local residents by late night drinkers.
- The extension of licensing hours may well have unintended social consequences for people with drinking problems as well as possibly increasing general drunkenness in our town.
- In no way could it be demonstrated that such an extension provides any benefit to the local community; in fact, it is quite likely to be the complete opposite and local people may well suffer as a consequence if this application were to be agreed.

# The Buckingham Society

*Working to keep Buckingham a great place to live*

It is the view of the Buckingham Society that the BP application does not address any of the above concerns. Granting of the extension will be of little, if any, benefit to Buckingham people and is more likely to do harm. Therefore, the Buckingham Society wishes to object to the granting of the extended license and asks that the licensing team should deny the application.

Dear Licensing Officer,  
Licensing Act 2003  
Application to vary a Premises Licence  
BP Oil UK Buckingham MK18 1NY

I see no reason why the liquor licence for these premises needs to be extended to 24 hours.

The main purpose for the garage is the sale of petrol with a car wash, Wild Bean Cafe, M+S outlet & toilet facilities on the site.

If alcohol is to be sold from the premises then the filling station should be double manned 24 hours a day. Sale of alcohol through the night pay windows is totally unacceptable, the single staff member could not tell if the customer was in a suitable condition to make a purchase of liquor. CCTV does not record sound & groups of customers have been known to hang about in the forecourt, & its vicinity, in the early hours & disturb nearby residents with anti social behaviour.

\* I see no evidence that BP are in the Pub Watch scheme and therefore those banned from the town <sup>pubs</sup> would be able to purchase alcohol from this garage.

The close proximity of 13 High Street needs considering in this application. Anti social behaviour often occurs after closing time.

With an off licence, alcohol is not allowed to be drunk on the premises or in the shop, this means customers must go else where to drink. Late night drinkers could come from the town pubs already up to the drink limit & purchase more to consume around the Town or in the Newlands where, on occasions, large quantities of empty alcohol cans have been found.

The sale of alcohol should be kept to the hours for which the present hours are granted. Motorists can purchase fuel & food 24/7 in this BP garage which is the only petrol filling station & retail outlet open 24 hours a day in Buckingham.

I had a friend whose daughter was killed by a drunken driver. This is the reason I am objecting to this application, and I trust my other observations will be considered too.

This application should not be granted.

Dear Sir or Madam,

I write to register The Salvation Army Buckingham Corps' objection to the application by BP Oil UK Limited regarding extending their off-license to 24 hours at their Buckingham garage on Stratford Road.

The Salvation Army is one of the largest teetotal organisations in the world, and takes the role of alcohol in society seriously because of the devastating consequences alcohol use can have for families and individuals. The Salvation Army's vast experience working with those in addiction to alcohol convinces us that those at risk of negative consequences from alcohol use need protection, which is something that robust licensing regulations can aid.

Specifically, I have the following concerns regarding the social impacts of granting this change in license:

- The sale of intoxicating substances in garages is a matter of some concern given the growing problem of drink-driving.
- The garage is surrounded by residential properties which are mainly filled by older people, for whom additional business late at night would be disturbing.
- Current licensing allows for purchase of alcohol during sociable hours, and the extending these to unsociable hours is likely negatively impact those for whom drinking is already a problem, e.g. addicted or lone drinkers, or disruptive late-night revellers.

It is my view that the application by BP Oil UK Ltd does not address these concerns sufficiently, or demonstrate that significant benefit will be felt by the community to offset these negative likely outcomes.

I therefore object to the granting of an extension to their liquor licence to 24 hours, and request the licensing team to deny the application.

Dear Mr. Seal,

### REF: BUCKINGHAM FILLING STATION – EXTENSION OF HOURS

At the meeting of the Full Council on Monday 25<sup>th</sup> June 2018 Members considered this application, at the request of a resident. They voted unanimously to oppose the extension of hours, many being of the opinion that no petrol station should have an alcohol licence at all.

Buckingham is a very quiet town in the early morning, especially since Tesco started to close at midnight. There has been a noticeable drop in the numbers of alcohol-related incidents, and Members are very aware that – should there be a problem – we do not have the level of policing we used to have.

Concern was expressed that, if this was the only available outlet after midnight in the town and surrounding area, it would attract those desperate for alcohol, resulting in disturbance and extra traffic. At present, after the pubs have shut, they have nowhere else to go except home. Opposite the BP station are North End Court and Mary MacManus Drive, both VAHT sheltered housing complexes, and there is other housing surrounding the site.

Members were informed that the filling station is single-manned at night, and does not display a Pubwatch sticker, so the lone member of staff will have to be able to check whether the customer is under-age or already inebriated via the night-hatch, and has no back-up should the customer become troublesome if refused a sale.

The consensus was that Buckingham does not need the extended hours.

Yours sincerely,
