Dear Sir/Madam

**Licensing Act 2003 – Representing from the Licensing Authority
Premises: Kingsbury Newsagent, 10 Kingsbury, Aylesbury HP20 2HT**

I am submitting this representation on behalf of the Licensing Authority in respect of this application for a new Premises Licence.

The application is to permit the sale of alcohol, for consumption off the premises, between 07:00 and 23:00 on Mondays to Fridays, between 08:00 and 23:00 on Saturdays, and between 08:00 and 22:00 on Sundays. The applicant has proposed a number of measures in their operating schedule to address the promotion of the licensing objectives. Unfortunately we do not believe that these matters are sufficient to adequately promote the licensing objectives.

In accordance with Secretary of State statutory guidance (Section 182 Guidance), paragraph 8.41, "In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. ... applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application." The guidance goes on to explain that applicants are expected to demonstrate that they understand the local area in which they intend to operate, the risks their proposed activities pose to the local area, and any local initiatives.

While it is not referenced in the application, this premises is located within the Aylesbury Town Centre, Special Saturation Policy Area. The Saturation Policy area classes off-licence premises "high risk" if there is evidence that they may in the future contribute to harm to the licensing objectives. While the proposed hours are outside the applicable policy hours, i.e. before 12 midnight for high risk premises, in accordance with the policy (paragraph 5.1(4)) "Applications within the above hours will be considered on their merits. However, the fact that the premises lies within a Special Saturation Area will be taken into account and special consideration will be given to the impact of the proposal on the licensing objectives."

It is noted that the application describes the premises as a "newsagents selling European foods,

Confectionary/crisps, household goods, soft drinks, newspapers, lottery, cigarettes and tobacco". However it also noted from the licence plans that the intention appears to stock a significant amount of alcohol on public display, with almost the entire right side wall assigned for the storage and display of alcohol. Based on the information supplied it would appear that the sale of alcohol, if not the primary activity, is intended to be a significant part of the business.

In recent months the Licensing Service has received reports from both Aylesbury's Town Centre Team and the local Police about the impact of street drinking in the Aylesbury Town Centre area. Specifically street drinking has reportedly been associated with anti-social, offensive and intimidating behaviour. As a consequence the Licensing Service has visited the current 'off-licence' premises within the Kingsbury area to carryout licence inspections and provide advice to licence holders. In addition Aylesbury Town Centre is subject to a Public Space Protection Order (PSPO), and before this a Designated Public Place Order since October 2016. These orders were brought in as a means of controlling the problematic consumption of alcohol within the town centre area.

We are concerned that the availability of alcohol at the applicant's premises will be attractive to those associated with the anti-social behaviour referenced above. The applicant has failed to acknowledge or address this issue in their application.

The premises is located near to a number of late licensed pubs, bars and nightclubs within Aylesbury Town Centre. We are concerned that the location of these premises, and the proposed hours of operation, will be attractive to those persons visiting Aylesbury in the evening, who will take advantage of the availability of lower priced alcohol to engage in "pre-loading" alcohol prior to attending one of the late licensed venues. The phenomenon of pre-loading alcohol presents additional risk to the licensing objectives, leading to an increase in crime and disorder and public nuisance both on the street and at the existing licensed premises. Again the applicant has failed to acknowledge or address this issue in their application.

The applicant has offered no evidence to demonstrate an understanding of the potential impact of their proposal on the local area or consideration of the licensing policy. The proposals included with the application do not address concerns associated with the current street drinking situation or the perceived increase in street drinking associated with "pre-loading". The licensing policy provides not only general guidance and advice but also suggested conditions that may help address the Licensing Authorities concerns, however this guidance and advice does not appear to have been considered by the applicant. It is recommended that this application be refused in its entirety for the reasons given to best ensure the promotion of the licensing objectives.

Yours sincerely

Subject: Licence application - 10 Kingsbury

Hello Kerryann,

Please accept this email as a formally lodged complaint about the alcoholic license for the new newsagent in Kingsbury.

I fully support the opening of the newsagent and welcome them to the town. However I do not wish to support their application for an alcoholic license:

- The prevention of crime and disorder – Kingsbury has an ongoing problem with anti-social and public drinking in the Square. We have been working closely with the alcoholic providers in the Square to reduce this but it is an ongoing battle. We have had various complaints from visitors who do not currently feel safe in the Square and businesses who want to move out due to the number of people public drinking in the Square. They congregate outside the existing off licences and to introduce a further alcoholic premise will worsen the problem and add to concerns about public safety.
- The prevention of public nuisance: We have identified Kingsbury as an area that requires regeneration and a key focus is to attract more children to the space with activities for them. I am concerned that a further alcoholic premise in this area will increase public nuisance and does not meet the aspirations of the Town centre Plan which AVDC have adopted as the Strategy for the town centre.
- We have a saturation policy in the town to manage the number of drink led establishments in the town and this newly proposed off licence is going in to premises that previously did not sell alcohol so circumvent our position of avoiding alcohol led premises.

Furthermore, there is no need for a further off licence in this area – we already have one in the square and Sainsbury's around the corner, these create enough challenges in managing public nuisance. I have copied in the Chair of the Partnership as he may also wish to make representation.

With thanks
Diana

You colleague has kindly forwarded me a copy of your representation in relation to the above, as we have been instructed to represent the applicant.

Having looked through the application that was deposited, I can understand some of your concerns and would suggest that this can be resolved by having some better conditions in place. The applicant is entirely aware of the issues of alcohol, as she currently work for HM Prison and Probation Service and has to deal with them on a daily basis. The aim at this premises is primarily to sell Romanian beverages, so aimed at a particular market and not the general street-dinking/pre-loading one.

Perhaps you could consider whether your representation would be satisfied by a change to the operating schedule of the application in accordance with the attached ? If there is something in particular that you would like added, then please can you let me know ?

On the question of pre-loading, this is obviously quite a difficult issue to grasp. The LGA have done some survey and policy work on this but I am not aware of any 'pool' condition that has been drafted, as the preference has been more towards education than licensing controls.

I would of course be very happy to discuss the application with you, but thought that it would be best for you to receive this proposal first, in case it is sufficient

Dear Jon

Thank you for your reply and additional proposals.

I have given the matter further consideration and unfortunately I am still not of the view that this proposal is conducive to the promotion of the licensing objectives. My view is that the application should be given further scrutiny by the licensing committee so the issues of concern can be considered more fully. For example it is stated that the aim is to sell Romanian beverages aimed at a particular market, what is this market? The licence plan shows a significant amount of the floor space dedicated to alcohol sales, which implies alcohol sales are intended to be a significant part of the offering at these premises. I am not entirely clear on the connection between working for the prison service and the issues concern raised in my representation. I feel a hearing would be a good opportunity for your client to expand on this and explain to the licensing committee how in practical terms they intend to manage these premises to ensure the promotion of the licensing objectives.

Kind regards

Simon
