Buckinghamshire Transport Strategy - how does it relate to AVDC Core Strategy? Submitted by Warren Whyte,</li> </ol> </li> </ul>	<b>25 - 26</b>

	<p>Buckingham South Ward (Town Council).</p> <p>Transport for Buckinghamshire has prepared the 'Aylesbury Vale Rest of District Transport Strategy' which forms part of the AVDC LDF Evidence Base. Attached is a response from TfB to respond to the recent Buckingham Town Council press release on this matter.</p> <p>TfB would point out that the strategy does not contain anything new, and it is simply pulling together existing proposals from Local Transport Plan 2 (LTP). LTP3 will advance our strategy for Buckingham further, and taking consideration of the distribution of Local Development Framework growth in the town, when this is known. A response is attached.</p> <ol style="list-style-type: none"> <li>2. Flood Group update - errors in the Buckingham EA/Core Strategy Flood Map. Submitted by Warren Whyte, Buckingham South Ward (Town Council)</li> <li>3. The LTP 2 Transport Strategy evidence presented in the AVDC Strategy documents. Submitted by John Riches and Marc Linton, Middle Claydon</li> <li>4. Some form of communication updating Parish Councils on the progress on Road Repairs. Customers found themselves being served by a land girl, a 1940s housewife and even an evacuee. We had a very enjoyable day chatting and reminiscing with our customers while they enjoyed our tea and cakes. The cakes were made by staff and friends to wartime recipes. The staff also raided their attics for items from the era. Many interesting items were unearthed including photos newspapers and even a RAF uniform.</p> <p>In the afternoon, following their wartime menu lunch, the evacuees (clients) from the local Red Cross centre were given their name tags and evacuated to the library. A pleasant hour was spent with them while they tucked into our tea and cakes.</p> <ul style="list-style-type: none"> <li>• Adult Social Care forthcoming events</li> <li>• Opportunities for external funding of schemes (See attached report).</li> <li>• Buckinghamshire Network Hierarchy – A Reference Document</li> </ul>	<p><b>27 - 34</b></p>
