# Pay Policy Principles and Statement 2016/17

### **BMKFA Pay Policy Principles and Statement**

This document applies to all employees of Buckinghamshire & Milton Keynes Fire Authority (The Authority).

#### Principles

**Policy Note:** 

#### 1. Accountability

Decisions on pay policies will be taken by elected members - those who are directly accountable to local communities. We will ensure that all democratically accountable members have a significant input into how decisions on pay are made and that we are open about the policies that determine those decisions.

Our annual Pay Policy Statements and any amendments to them will be considered by a meeting of the Fire Authority and will not be delegated to any sub-committee. In scheduling such meetings, we will act in accordance with our responsibilities under part 5A of the Local Government Act 1972. However, we note that the Secretary of State does not consider that any of the grounds for exclusion of the public would be met for discussions of Pay Policy Statements. Such meetings should therefore be open to the public and should not exclude observers. All decisions on pay and reward for chief officers must comply with the current Pay Policy Statement.

The Fire Authority will be offered the opportunity to vote before salary packages  $(\pounds 100,000 \text{ plus})$  are offered in respect of a new appointment. For this purpose, salary packages should include salary, any bonuses, fees or allowances routinely payable to the appointee and any benefits in kind to which the officer is entitled as a result of their employment.

#### 2. Transparency

Our Pay Policy Statement along with our approach to the publication of and access to information relating to remuneration will be published on our website.

Although we are not required to use our Pay Policy Statement to publish specific numerical data on pay and reward, we will consider how the information within the Pay Policy Statement fits with that data on pay and reward that we publish separately.

This includes that data required to be published under the Code of Recommended Practice for Local Authorities on Data Transparency and by the Accounts and Audit (England) Regulations 2011.

# Pay Policy Principles and Statement 2016/17

# 3. Fairness

We will ensure that decisions about senior pay are taken in the context of similar decisions on lower paid staff salaries and that the relationship between those decisions is considered. We will consider our proposals for the pay relationship between the remuneration of chief officers and employees who are not chief officers.

We will publish our pay multiple – the ratio between the highest paid employee and the mean average earnings and the lowest paid across the Fire and Rescue Service.

We will set out our approach to the award of other elements of remuneration including bonuses, performance related pay as well as severance payments.

# Statement 1 April 2012

# Part 1 Pay Policy (all staff excluding SMB)

- 1. All pay decisions will be fair based on policy and reflecting the requirements of legislation.
- 2. Our systems will be transparent and well known amongst staff groups and we will discuss planned changes to our systems with the appropriate representative bodies.
- 3. We will where possible avoid complex pay systems and in determining pay we will make reference to market rates in order to secure best value for the taxpayer.

### Level and elements of remuneration

- 4. <u>The majority of staff are employed under contracts with either the terms and conditions of the NJC for Local Authority Fire and Rescue Services Scheme of Conditions of Service, 2004 "the Grey Book" incorporated; or with the provisions of the Buckinghamshire and Milton Keynes Fire Authority scheme of conditions of Service for Support Services staff.</u>
- 5. For Grey Book staff rates of pay are set out in circulars issued by the NJC and entitlements are governed by Part B of the Grey Book. <u>However the Authority</u> recognises that new employees may be employed on terms and conditions outside of the Grey Book. The Authority also recognises that employees in existing firefighter roles may want to agree rates of pay outside of the Grey Book for the protection of services and provision of enhanced resilience. This includes the operation of the 'Bank System'.

### **Pay Policy Principles and Statement** 2016/17

- 6. For other staff the pay structure takes the form of pay scales with spinal column points. Progression is based on evidenced performance and would normally occur on 1st April if the required criteria are met; at least six months in post, subject to performance and the maximum grade for the post not being exceeded. Incremental progression may be withheld if performance is not to the required standard.
- 7. Pay scales are inserted in the annexes:

Annexe A "Grey Book" Pay rates from 1 July 2014 2015 "Support Services staff" Pay scales from 1 September 2014 (as Annexe B amended in May 2015 for 1% pay award, October 2015 for National Minimum Wage increase, and April 2016 with the introduction of the National Living Wage)

- 8. Some members of staff participate in lease car and private healthcare insurance arrangements.
- 9. The Authority reimburses mileage, travel expenses, subsistence and other expenses (e.g. overnight stays, meals and professional fees) when appropriate and in accordance with the Authority's procedures relating to expenses.

# **Remuneration on Recruitment**

10. Remuneration will be based on the evaluated rate for the job, either nationally or locally.

# Increases and additions to remuneration

- 11. Additional Responsibility Allowance (ARA) payments for "Grey Book" staff and occasional Honoraria for "Support Services" staff on local terms and conditions are used to reward increased responsibilities and duties beyond the normal remit of the role for specific periods, for existing staff to cover managed vacancies for short to medium term periods, enabling successful change management with minimal risk.
- 12. Any such payments require the signature of two Directors in accordance with the current procedures.

#### **Use of Performance related pay**

13. Performance related pay is not in operation although certain posts attract performance increments based on skill development.

#### Use of bonuses

14. One off bonus payments may be considered linked to evidenced and scrutinised delivery of performance management objectives and is outlined in Annexe C.

#### Approach on ceasing to hold office or be employed by the Authority

 The Authority's current policies in respect of discretionary payments are in line with the recommendations to be found in the minutes of the Fire Authority on 24 June 2014 titled Local Government Pension Scheme 2014 – Employer Discretions and the minutes of the Executive Committee held on 17 July 2013.

#### Publication of and access to information relating to remuneration

16. We will publish information in accordance with the "Local Government Transparency Code 2014.

#### **Pay Multiple**

17. The pay multiple is the ratio between the highest paid salary and the median average salary of the Authority's workforce. The average salary level is defined as the total of all regular payments made to an individual.

For the financial year 2016/17, the definition of lowest paid staff are those staff we employ who are paid at rates that are maintained in line with the National Minimum Wage at age 21 or over. Living Wage and the lowest rate will be that applicable for workers aged 25 and over. We opt not to use lower pay rates permitted under the National Minimum Wage for 16 to 20 year olds or apprentices.

#### The current BMKFA pay multiples are:

The Authority's pay multiple; the ratio between the highest paid employee and the median average salary figure for all employees in the Authority is:

Highest pay: lowest pay - <u>10.71</u>:1 Highest pay: median pay - 4.<del>77</del>72:1

#### ANNEXE C

#### **EMPLOYEE BONUS PAYMENT SETTING SCHEME AND PROCESS**

#### Introduction

The purpose of this document is to set out in outline the principles and process for determining whether or not employees will receive bonus payments and if so, sets out the process to determine the allocation of such payments. Bonus payments will be one-off and paid only to reflect excellent performance; that is performance, which exceeds the standards and targets agreed with the employee during their annual appraisal process and prior to the start of the financial year, for which any performance scheme is introduced.

#### Eligibility

Eligibility would be specified as part of any scheme rules on an annual basis.

#### **Key Principles**

The following key principles underpin any bonus and/or performance related reward schemes:

- The Scheme is entirely discretionary and forms no part of the contract of employment.
- The Scheme sits in the context of the Authority's overall strategic and performance management processes, therefore targets and objectives included in any scheme will align with the Corporate and Public Safety Plan objectives, via the "golden thread" process.
- Payments will only be made where the employee's contribution not only reflects excellence but also clearly assists with achieving the Authority's strategic objectives.
- It is intended to reward those who can demonstrate sustained, outstanding achievement or excellence in their role.
- It is intended to recognise and reward, not only the exceeding of targets and standards, but also the acquisition of the necessary competencies and deployment of behaviours that reinforce the Authority's values and norms.
- The amount of money available to be paid in bonus payments to employees under the scheme, will be determined as part of the annual budgeting process and any scheme will be self-funding.

- All eligible candidates invited to participate in any scheme must have an agreed appraisal, including core and stretching objectives in advance of the bonus scheme year.
- Recommendations for payments under the scheme will be made by the employee's line manager following the annual appraisal round to the appropriate Director.
- Recommendations will be reviewed by a Moderating Panel consisting of:
  - The Chief Operating Officer
  - The Director of People and Organisation Development
  - The Director of Finance and Assets
  - The Director of Legal and Governance

The Moderating Panel may choose to appoint an independent advisor to assist with the process of ensuring that proposed awards are based on the exercise of consistent judgement in both the setting of targets and standards and the assessment of achievement against these.

- Payments under the Scheme will be authorised by the Chief Fire Officer/Chief Executive on recommendation of the Moderation Panel.
- Employees will only be informed of approved awards and not as to whether or not a recommendation was made.
- There will be no appeal against recommendations or final decisions.
- The Executive Committee will receive an annual report summarising the awards, if any, that have been made.
- Eligibility criteria will be approved by SMB on an annual basis. This may include decisions not to run a bonus scheme or to extend to other workgroups.
- Decisions will comply with the requirements of the Authority's pay policy, which is reviewed and approved annually.
- If and when an annual bonus scheme is agreed, specific detailed rules will be developed in advance of the scheme year; for example, new staff who become eligible in year, long term absence etc.
- Any payments will be subject to statutory deductions.
