Dear Rob,

Open Access Consultation at Chawley Manor (Reviews for cases - 2012026254, 2006070033 and 2006040177)

Open Access Consultation at Lower Horseshoes -Wayside Farm (Review case 2006100011)

Thank you for your letter of 13th December 2017 and I apologise for the delay in responding. Unfortunately, your consultation fell over the Christmas period and outside our normal meeting times. Nevertheless, members have been consulted and the Forum has the following comments, applying to both reviews.

It doesn't seem necessary from the information provided that it is necessary to close the land for a 'block period' as the area could be shut off on shoot days only.

Yours faithfully,
