Subject: RE: Local Access Forum

Dear Cllr Pushman

Many thanks for your letter.

We have had a similar presentation on the benefits of CAMS Web and I agree that potentially this has a number of benefits. I am currently in discussion with Peter Parfitt who is the digital lead in Transport, Economy and Environment regarding this enhancement and the potential budget implications/business case if this was to proceed.

I will aim to keep you updated.

Kind Regards

David

David Sutherland
Head of Planning and Environment
