

BUCKINGHAMSHIRE LOCAL ACCESS FORUM

Report

AGENDA ITEM 6

Date: 25th July 2018

Title: LAF members' report

Author: Jonathan Clark, Strategic Access Officer

Contact Officer: Sally Taylor (01296 531024)

Correspondence

1. Brian Worrell submitted a written response on behalf of the British Driving Society Beds, Bucks and Herts in preparation for today's ROWIP review, which is enclosed in Appendix 2.
2. Glyn Thomas wrote to TfB requesting more regular verge-side grass cutting of the walking and cycling route along the A413 to Weedon from Aylesbury. TfB's response is as follows:

The length of road in question is subject to a single rural grass cut a year. Last year we utilised the road planings generated from the resurfacing works at Watermead cross roads junction to overlay the diminishing rural footway up to Weedon.

Unfortunately, due to the constant reductions in grass cutting budgets every year, we can only cut the grass once. The rest of the budget is focused on clearing the grass at junction vision splays.

The A413 is due to have its cut starting next week. I have already arranged for the contractor to prioritise the A413 from Aylesbury to Whitchurch due to receiving quite a number of complaints.

LAF dates for 2018

3. Next LAF meeting date: 7th November 2018
