

# *Decision*

## Deputy Leader & Cabinet Member for Transportation

In accordance with the previously published schedule and reports, the Deputy Leader & Cabinet Member for Transportation has made the following decision. This decision will take effect from Tuesday 20 August 2019.

**Title**

A4010/A4129 HS2 Safety Mitigation Schemes

**Reference Number:**

T22.19

**Decision Taken**

**The Cabinet Member:**

**AGREED:** To approve the construction of the final designs with the zebra crossings, including amendments made following consultation of A4010 & A4129 Safety Improvement Works so that the project can begin construction as soon as reasonably possible as per Appendix 1.

**AGREED:** To delegate authority to the Head of Highways Infrastructure Projects (or appointed deputy) to award the construction contract following the consultation and an open tender exercise.

**AGREED:** To delegate authority to the Head of Highways Infrastructure Projects (or appointed deputy) to revise the programme, risk allocations, descope the project and/or approve additional scope within the available HS2 Ltd funding through to completion of the whole project whilst keeping the Cabinet Member for Transportation, relevant local Member(s) and Petitioner Group informed.
