

Select Committee Combined Work Programme

About our Select Committees

This work programme sets out all formal meetings of the Council's Select Committees.

The purpose of Select Committees is to carry out the Council's overview and scrutiny function. Their role is to support public accountability and improve outcomes for residents through scrutinising the work of decision-makers.

Select Committees can carry out this function either through an in-depth Inquiry or one-off item at Committee meetings.

A scrutiny Inquiry is an investigation on a topic that will lead to a report and evidence-based recommendations for change to decision-makers. The key difference between one-off committee items that are not part of an inquiry and scrutiny inquiries is that Select Committees normally only make recommendations to Cabinet as a result of an in-depth Inquiry.

Evidence for scrutiny Inquiries may be gathered in different ways depending on the topic, this includes taking evidence at formal Select Committee meetings and/or informal meetings, visits or external research. Prior to any work commencing the Select Committee will agree an Inquiry scoping document which will outline the terms of reference, the methodology and inquiry timeline.

For more details about Select Committee Inquiries and guidance please see <http://www.bucksc.gov.uk/services/council-and-democracy/scrutiny/>
