

NOTICE OF MOTION

A41 Development Proposals

This Council is aware that Buckinghamshire County Council has a significant shareholding in Bucks Advantage (Aylesbury Vale Advantage) and that this company is promoting plans for development along the A41 corridor. This is sometimes referred to as “Woodlands”.

This Council notes that it is crucially important to all residents of the Vale that the Vale of Aylesbury Plan is in place as soon as possible and is not prejudiced by opportunistic applications coming forward outside of that process.

Accordingly this Council resolves:

To strongly urge the Council’s representatives on the Bucks Advantage (Aylesbury Vale Advantage) Board to ensure that all development proposals on this site are only brought forward as part of the Vale of Aylesbury Plan process.

Moved by: Mr. A Huxley

Seconded by: Mr. C. Adams
