

## **Events and Information for Members**

### **Update on Phase Two of Paperless Project**

Phase Two of the project began on 02 May 2016, with all Council Committees (apart from full Council) adopting a paperless approach. Refresher training sessions for the ModGov App have continued to be provided at the beginning of each committee meeting throughout May. For further details please visit

### **ICT Training sessions**

A programme of monthly ICT training sessions for Members is being developed with ICT colleagues. These sessions where possible will be held directly after Member Briefing's to support Member availability and maximise attendance. The first session will be held on Thursday 19 May and will focus on "How to Use Lync". Dates for subsequent sessions can be found below and further details are available on the Member Briefings and Training section on Member Zone.
