

Select Committee Structure

Thursday 17 May 2018

Report from the Chief Executive

Purpose of this Report

In accordance with the Council's Constitution, this report sets out the proposed structure of Select Committees for the forthcoming year. No changes are envisaged to the number of the Council's Select Committees.

The Council will appoint four Select Committees to discharge the Council's statutory overview and scrutiny functions. These shall be known as:

- I. Children's Select Committee;
- II. Transport, Environment and Communities Select Committee;
- III. Finance, Performance and Resources Select Committee;
- IV. Health and Adult Social Care Select Committee.

Each Select Committee is anticipated to meet at least six times a year, in accordance with current practice. Formal meetings of Select Committees will be public meetings (except under specific confidential circumstances as set out in the Local Government Act 1972). Each Select Committee has the power to undertake scrutiny inquiries, to investigate issues and make recommendations to decision-makers for change in relation to areas within their remit. Evidence for these inquiries may be taken at Select Committee meetings or may be taken through additional informal inquiry sessions.

In addition to the general functions of the Select Committees set out in the Council's Constitution, the broad remits of the four Select Committees are set out in the table below. This information is intended as an indicative guide to the remits of the Select Committees, recognising that a number of potential topics could span more than one Select Committee.

Where the lead responsibility for scrutiny is unclear the relevant Chairmen will agree how best to take forward the work, including agreeing one Select Committee to take lead responsibility for approving the set-up of any inquiry and follow-up.
