6 REPORTING ARRANGEMENTS

Context:

Joint Overview & Scrutiny reviews in Buckinghamshire traditionally report back to each Council's Overview & Scrutiny Committee and Executive. In this case, the final review report will also need to be submitted to the Safer and Stronger Bucks Partnership Board.

Purpose:

This is an opportunity for the Chairman with Members to discuss how the reporting arrangements will work. Members will recall that there are principles for the operation of Joint County and District reviews. These principles provide the following guidance for the reporting process:

Reports

'A written report with recommendations will be produced at the end of each review. Committee members from each authority will be responsible for ensuring the report is disseminated to their authority using individual reporting mechanisms. In addition, the Chairman will be responsible for ensuring the report is presented to any other organisation which participates in the review or is able to implement the review recommendations.'

Papers:

- None
