### The Strategy for Buckinghamshire

The overarching theme of this month's meeting focuses on Community Services.

The newly appointed Director of System Reform at Buckinghamshire Primary Care Trust (PCT) will set the scene to support the strategy outlined in the White Paper 'Our Health, Our Care, Our Say' that focuses on the need for an increased number of health care services based in accessible community settings. Within this context, he will provide a broad strategic outline of the PCT's plans for Buckinghamshire that will start the process to deliver this vision.
