Dear Neil,

**Wycombe General Hospital Re-Provision**

Cllr Julia Wassell a Member of the HASC Committee has submitted the following question to me, in my capacity as Chair of HASC.

'It has appeared as an item in the Trust Board Minutes that there is to be re-provision of the older building at Wycombe General Hospital. I would be grateful for a full explanation of what will be occurring 2016-2018. Any plans need to be explicit so that the public do not become further concerned following major changes previously.'

Just to note this was originally raised at the October HASC meeting last week during Committee questions. I'd therefore be grateful if you could present the Trust's response at the next HASC Committee on 24<sup>th</sup> November 2015.

Yours sincerely

Mrs Angela Macpherson
