

Health & Wellbeing Board: Integrated Care Update

Lesley Perkin
Programme Director, Integrated Care

Progress to date

- Better Care Fund plans fully approved Nov 14
- Commissioning Strategy developed (FBC)
- S75 pooled budget agreement - draft agreed

Implementation

- Tier 3 Rapid Response & Reablement
 - Single point of referral (April 15)
 - Align multidisciplinary teams behind that (Sept 15)
- Tiers 2 & 4 Integrated Locality Teams
 - District nurses, practice nurses, social workers, domiciliary care providers, mental health workers, GPs, specialist nurses, consultants, voluntary organisations

Tier 3: Rapid Response & Reablement

Coordination of services to individuals during a period of escalating health or social care need, in order to avoid attendance at hospital, facilitate return home as quickly as possible after a hospital admission and reduce the need for long term care packages.

- Person centred
- 24/7 to the referrer with different responses
- Flexible use of resource
- County wide service
