

Title	Children's Services Improvement Programme Status Report
Date	5 March 2015
Report of:	David Johnston, Strategic Director, Children and Young People

Purpose of this report:

To update the Health and Wellbeing Board on the Children's Services Improvement Programme

Summary of main issues:

A significant amount of work has been completed in January and there has been an evident step change in the pace of the Programme with engagement from all partner agencies and corporate services.

The Improvement Plan is being updated to reflect DfE Adviser comments and make it a 'live' document to track progress against actions and outcomes for children.

Recommendation for the Health and Wellbeing Board:

To note the report and improvement dashboard
