

Organisation: BCC Public Health

High Level Overview of Commissioning Intentions 2016/17:

OUR VISION: *A healthier Buckinghamshire where individuals and communities can achieve the best possible health by helping to create the conditions for people to thrive.*

Public Health Priorities:

- Early Years
- School Years
- Protecting from harm

- Healthy lifestyles
- Mental wellbeing and emotional resilience
- Preventing long term conditions

- Building individual skills and resilience and community capacity
- Place and environment
- Protecting from communicable disease and environmental hazards

Immediate & Future Cost Pressures 2015/16 - 2016/17

- Nationally a 7.6% in year cut to local authority public health grant was announced in July 2015.
- **The high level commissioning intentions outlined will be dependent on the outcome of any further announcements in the Comprehensive Spending Review (CSR) in October 2015**
