

Title	Health and Wellbeing Board Member Commissioning Intentions 2016 – 17 and update on the development of Buckinghamshire’s Joint Strategic Needs Assessment
Date	1 October
Report of	All member organisations of the Health and Wellbeing Board
Lead contacts:	Report co-ordinated by Katie McDonald, Health and Wellbeing Lead Officer

Purpose of this report:

- To provide an update on the development of Buckinghamshire’s Joint Strategic Needs Assessment for 2016-2020 and future alignment with the commissioning cycle
- Share the commissioning intentions and key commissioning priorities of Board member organisations for 2016-17
- Allow discussion on any gaps and challenges for the Board in the refresh of Buckinghamshire’s Joint Health and Wellbeing Strategy 2016-2020

Recommendation for the Health and Wellbeing Board:

- To note and approve proposals set out for the refresh of the Joint Strategic Needs Assessment
- To agree a process for early sight of JSNA sections as they are developed and delegate authority to the Health and Wellbeing Board Planning Group between Health and Wellbeing Board meetings.
- To note the commissioning intentions presentations given by representatives from each organisation
- Consider and discuss any opportunities, gaps or challenges identified through the presentations
- Agree any further actions required to support the development and alignment of commissioning plans for 2016/17 and processes to be put in place for the HWBs consideration of commissioning intentions in 2017/18

Report includes:

- An update on the refresh of the Joint Strategic Needs Assessment 2016 – 2020
