

Organisation: Adult Joint Commissioning

High Level Overview of Commissioning Intentions:

Oversee the strategic delivery of provision of services to younger adults and older people across health and social care and deliver the agreed commissioning priorities of the Council and Clinical Commissioning Groups.

The key deliverables of the team are to -

- Set a vision for services that stakeholders can understand.
- Implement all areas of the commissioning cycle in relation to strategic commissioning activity.
- Shape the Medium Term Financial Strategies of the Council and the CCG's to deliver the priorities within available resources and maximise efficiencies.
- Lead on complex programmes of change.
- Ensure that priorities support improved outcomes and personalisation.
- Maximise partnerships to support the delivery of agreed priorities.
