

**THE BUCKINGHAMSHIRE COUNTY COUNCIL (CLAPPINS
LANE AND STOCKING LANE, NAPHILL) (WEIGHT
RESTRICTION) ORDER 201***

STATEMENT OF REASONS

Buckinghamshire County Council as traffic authority intends to make the above Order. This will impose 7.5 tonnes weight limits on the entire lengths of Clappins Lane and Stocking Lane, except for loading, for the following reasons:-

- *For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising*
- *For preserving or improving the amenities of the area through which the road runs*

This is because both Clappins Lane and Stocking Lane are narrow and not suitable for heavy vehicles, especially in situations when two lorries are moving side by side
