## 1. PURPOSE OF REPORT

1.1. To inform the Local Area Forum of the petition from Miss A Brown for a pedestrian crossing on Thorney Lane North, Iver.

## 2. PROPOSED ACTION

2.1. The Local Committee is asked to **NOTE** the contents of the report.

## 3. SUPPORTING INFORMATION

3.1. County Councillor Vigor-Hedderly will present the petition to the Full County Council on 22<sup>nd</sup> April 2010.

3.2. The petition requested a pedestrian crossing on Thorney Lane North, Iver.

3.3. The Travel Planning Team within Buckinghamshire County Council is currently working with Iver Village Infant School on their School Travel Plan. This plan aims to help improve safety and reduce car use on the school journey. Iver Village Junior School does not currently have a travel plan.

3.4. The School Travel Plan Advisor for the schools will arrange a site visit with them to discuss the current issues and look into the most appropriate solutions to help resolve them. A pedestrian crossing will be considered as one of the options that the school may wish to pursue.

INVESTOR IN PEOPLE

- 3.5. If any of the solutions require capital funding, a funding bid will be required from the schools (with help from the School Travel Plan Advisor). This bid will then be put forward for funding consideration for the 2011/12 Transport for Buckinghamshire capital budget. The School Travel Planning Team does not have enough capital funding for a pedestrian crossing in the 2010/11 financial year and any future funding is not guaranteed.
- 3.6. The bid will also be put onto a 'wish list' so that if any funding becomes available in the area (such as through developer contributions), the bid can be considered for this funding.
- 3.7. Another option would be for the Parish to consider whether they would like to bid for the scheme through the Local Committee Delegated Budget for 2011/12.
