

Bucks Strategic Partnership Board: Forward Plan as at 29 July 2009

Meeting date	Proposed agenda items
23 September 2009	<p>Review after 1 year of operation of BSP Governance arrangements: Robin Douglas, Leadership Centre for Local Government, supported the first meeting of the BSP Board in June 2008 when the Board agreed its terms of reference and proposed ways of working. Robin will return at this meeting to support the Board and attendees from the BSP Implementation Group in reviewing how the BSP has operated in its first year. The purpose is to check that the governance arrangements are still suitable, and obtain feedback from Board and BSP Implementation Group Members on future working of the BSP. Robin will contact some members of the Board and Implementation Group by telephone over the summer to obtain soundings ahead of the meeting.</p>
	<p>Opportunities for all in Buckinghamshire: BSP approaches to tackling disadvantage. Trevor Boyd, BCC, will brief the Board on challenges facing some Buckinghamshire residents and approaches being taken/planned by the BSP. Additionally, the Board will receive feedback on focus group work undertaken with seldom heard groups as part of the development of the Sustainable Community Strategies.</p>
