

**BSP Board Meeting
Hedsor House
4th May 2010**

Buckinghamshire Community Foundation (BCF) began supporting local community groups in the county ten years ago. Today it is the largest grant-giving charity operating across all parts of Buckinghamshire. BCF works where the Public, Private and Voluntary & Community Sectors meet. Intriguingly, we have something unique to offer because:

1. Twice
2. 2.6 million
3. 800+
4. 400
5. 10%

Today's challenge: How can we continue to work in partnership to help local Buckinghamshire communities to thrive?
