## **Summary of Objections & Feedback**

50 miles per hour Speed Limit on A413  
Buckingham Road from Buckingham Park  
roundabout to Witchurch

## SUMMARY OF OBJECTIONS AND FEEDBACK

The feedback received in the Statutory Consultation presented mostly objections to the proposals. A few comments received emphasize the problem of drivers that already drive below the speed limit and that the stretch of the A413 – Buckingham Road advertised is suitable for a 60mph speed limit, and there is no need to lower it. Some feedback received made suggestions on proposals that are not included in the scope. All responses are included in the full responses document in Appendix B.

Overall support summed up to a total of fifty four comments. Objections summed up to eighty eight, comprising of 62% of all the responses received.
