#### **RESOLVED:**

That the Chairman of the Joint Committee and the Superintendent be nominated to attend the 2014 ICCM Annual Conference.

## 14 LIAISON MEETING WITH PERSONS TAKING SERVICES AND FUNERAL DIRECTORS

Liaison meetings with persons taking services and Funeral Directors had been held for many years on an annual basis. The Committee were advised that the persons taking services and funeral directors would be invited to the consultation evening regarding the proposed Aylesbury Crematorium, and it was questioned whether a separate liaison meeting would be required.

#### **RESOLVED:**

That the liaison meeting with persons taking services and funeral directors be amalgamated with the Aylesbury Crematorium Consultation Evening, which would be held on 12 March at 6.30pm

#### 15 COMPLAINTS AND COMPLIMENTS 2013

The Committee received an annual report outlining the complaints and compliments received in 2013. It was noted that compliments were not included in the report. The report outlined the 7 complaints that had been received, and this was out of 3000 services.

Councillors considered the report, and

#### **RESOLVED:**

That the report be noted.

#### 16 SERVICE PLAN 2014 - 2015

The Committee considered the service plan for the Crematorium for 2013-14. It was noted that the woodland owned was purchase 20 years ago, and implementation of the woodland management and conservation plan would continue. The Crematorium in Amersham would be impacted by the proposed High Speed 2 rail, as the tunnel would be routed through the hill less than 100 meters away. It was noted that there was no plan for a woodland burial ground.

#### **RESOLVED:**

That the Crematorium Service Plan for 2014-15 be approved.

#### 17 REVIEW OF MEMORIALS

Councillors received a report outlining a proposed review to the memorials offered by the crematorium. The rose bed memorial scheme was introduced when the crematorium was first opened. It was noted that the rose beds had not developed as well as had been thought. Concrete curbing had been put in place in the 1970s and wire fences had been placed to protect the rose beds from wildlife. While there had been no complaints, the rose bed income had decreased, as the number of plaques being renewed had decreased. It was noted that 2,600 plaques remained, and Councillors were asked to consider replacing the scheme.

The Committee were shown pictures of the type of memorial schemes that were in place at other crematoria. One example showed plaques on posts in

a garden of remembrance. It was proposed that any change to the scheme be phased over 5 years.

#### **RESOLVED:**

That a further report be considered by the Committee regarding possible options for memorial schemes

#### 18 REVENUE BUDGET - REVISED 2013/14 AND ORIGINAL 2014/15

Councillors received the Revised Revenue Budget for 2013/14 and the Original Revenue Budget for 2014/15. It was noted that there was a surplus of £500.000.

#### **RESOLVED:**

That the Revised Revenue Budget for 2013/2014 and the Original Revenue Budget for 2014/15 be approved by the Joint Committee.

#### 19 REVIEW OF FEES & CHARGES

Councillors received a report outlining the proposed fees for 2013/14. It was noted that the fees had been increased from £490 in 2012/13 to £505 in 2013/14. It was proposed that the fee for 2014/15 be increase to £520, and the Committee noted that these fees were very competitive when compared to neighbouring crematories.

#### **RESOLVED:**

That the fees and charges outlined in the report be agreed.

#### 20 CAPITAL PROGRAMME 2013/14 TO 2016/17

The Committee received a report outlining the Capital Programme for the next five years. Councillors considered the major capital projects that were on the programme. One Councillor questioned whether the Programme had factored in enough inflation. Construction inflation had been hit by a 10% increase, and it was noted that the Programme allowed for a 15% increase, and was as realistic as possible. It was noted that an additional provision of £55,000 would be included in 2014/15.

#### **RESOLVED:**

That the proposed Capital programme for 2013/14 to 2017/18 be approved.

4

#### 21 MEDIUM TERM FINANCIAL STRATEGY

The Committee considered the Medium Term Financial Strategy. Councillors noted that the strategy did not include revenue expenditure going forwards. The figures in the report relate only to the existing crematorium site and did not include the effects of a crematorium opening in the North of the County. The Joint Committee was stated to be in a strong financial position.

#### **RESOLVED:**

That the Medium Term Financial Strategy forecast be noted.

#### 22 NEXT MEETING:

#### **RESOLVED -**

That the next meeting would be held on Wednesday 26 March at 2.30 pm at Chiltern District Council.

#### 23 EXCLUSION OF THE PUBLIC

#### **RESOLVED -**

That under Section 100(A)(4) of the Local Government Act 1972 the Public be excluded from the meeting for the following items of business on the grounds that they involved the likely disclosure of exempt information as defined in Part 1 of Schedule 12A of the Act.

Note: the relevant paragraph number and description is indicated under the Minute heading.

#### 24 AYLESBURY CREMATORIUM

Members of the Chiltern Crematorium Joint Committee were advised that the need for a crematorium in Aylesbury and the proposed programme were accepted by Aylesbury Vale District Council, but that the proposed design had not currently been accepted. The designer had been advised that new builds in open countryside must be an exceptional design and must be sensitive to the landscape. Examples of acceptable designs had been supplied by the Aylesbury Vale Planning Department.

The Committee viewed the current design for the Aylesbury Crematorium, and thanked the architect for attending the meeting. The current budget position regarding the Aylesbury Crematorium was noted, and it was stated that once planning permission had been granted the build would be subject to full tender processes.

Letters would be delivered to the affected villages on 20 February and a press release would be sent out on 26 February. A consultation evening would take place on 13 March.

#### **RESOLVED:**

- 1. That the additional expenditure of £68,806 incurred since the last meeting to obtain the Option and advance the preparation of the planning application as outlined in paragraph 52.16 of the report be formally ratified
- 2. That the additional expenditure of £108,806 outlined in paragraph 52.16 be approved
- 3. That the latest total budget position be noted
- 4. That the Joint Committee suspend Standing Orders relating to the further appointment of architectural services in respect of RIBA stages F-L and delegate authority for the Project Manager to negotiate with Haverstock (subject to continuing food performance) to carry out 'phases 2 & 3 of the project, or alternatively for a further appointment process to be undertaken if Haverstock are not to be used
- 5. That up to £135,000 expenditure for the continuation of the project into phase 2 be approved

#### REPORT OF THE TREASURER

#### FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR 2013/14

(Contact Officer: Tina Pearce 01494 732233)

#### **RECOMMENDATION**

- 1. That the Small Bodies Annual Return for the year ended 31 March 2014 approved by virtual means prior to 30<sup>th</sup> June and signed by the Chairman of the Joint Committee, the Clerk and Treasurer be formally approved.
- 2. That the accumulated revenue surplus be retained by the Joint Committee for future capital investment.

Small Bodies Annual Return for the year ended 31 March 2014 Accounts and Audit Regulations (England) 2011

#### Background

- In March 2011 the Department for Communities and Local Government published the Accounts and Audit (England) Regulations 2011. These regulations came onto force on 31 March 2011 and apply to the preparation, approval and audit of statements of accounts and other accounting statements in respect of the year ending 31 March 2011 and later years.
- 2. These regulations were of particular importance to Chilterns Crematorium Joint Committee as they contained a revised threshold in the definition of "smaller relevant bodies". The threshold had been raised from £1 million to £6.5 million (applied to gross expenditure or gross income, whichever is higher). The Joint Committee reverted to the category of "smaller relevant body" as its gross income at the time was £1.5 million and still remains below the upper limit.
- 3. "Smaller relevant bodies" are permitted to prepare simpler published accounts and are subject to less demanding procedural requirements and less rigorous external audit with a resultant reduction in audit fee. The Joint Committee opted to adopt the Smaller Bodies approach in June 2011.
- 4. The Audit Commission have appointed Mazars LLP to audit the accounts of Chilterns Crematorium Joint Committee.

Classification: OFFICIAL

5. The audit will be carried out under the Audit Commission's limited assurance audit approach. This requires the completion and submission of an annual return which must be approved by the relevant body by 30 June. It is anticipated that all audit work will be carried out remotely via the Small Bodies Annual Return and supplementary supporting documents and is completed and signed off by the Auditors by 30<sup>th</sup> September.

6. Once completed, the outcome of the Audit will be reported to the Joint Committee at the next available meeting.

#### Current Year

- 7. The Small Bodies Annual Return for the year ended 31 March 2014 is attached at *Appendix 1*. It comprises the following sections:-
  - Section 1 Accounting Statements
  - ➤ Section 2 Annual Governance Statement
  - Section 3 External Auditor's certificate and opinion (to be added following completion of audit)
  - Section 4 Annual Internal Audit
- 8. To supplement the information contained in the Annual Return and to aid Members understanding of the financial position of the Joint Committee officers have included the Income and Expenditure Account and Balance Sheet at *Appendix 2*.

Classification: OFFICIAL

#### Income and Expenditure

- 9. The key points to note for 2013/14 are:-
- A revenue surplus of £868,114 compared to a budgeted surplus of £561,602.
- Higher income from cremations as the actual number exceeded the budgeted assumption by 113 giving £57k additional income.
- Business Rates have been offset by a refund of £26k. This relates to a valuation appeal covering a number of previous years and has been offset in the revenue account thus showing a reduction against revised budget.
- Miscellaneous income includes Extended Service Time bookings but does not include the Business Rate refund.
- Maintenance of Buildings included costs for redecoration works and flat roof re-felting, both these works came in under estimate with a saving of £15k. Provision was made for works on the Bungalows, this expenditure has rolled into 2014/15 and accounts for the remaining reduction in spend against revised estimate.
- Insurance premiums included in the current year cover a 16 month period to 31<sup>st</sup> March 2015. This allows for Chiltern District Council (including the Crematorium) insurance year to align with South Bucks policy period to assist with a joint tender exercise. This is one off realignment, previously annual premium cover due from 1<sup>st</sup> December have been recorded in the financial year of payment, no prepayment over financial years has been recorded, the impact of this payment and approach is that there will be no charge showing in the 2014/15 Accounts for Insurance.
- There are no other significant variances.
- Capital expenditure during the year of £129,150 includes retention release for Mercury Abatement - £7.5K and initial costs associated with the potential New Crematorium - £119K. Irrecoverable VAT included in the total figure was £16.7k.
- An improved position on the General Fund balance, which as at 31 March 2014 stands at £4,421,135

#### **Balance Sheet**

- 10. The key points to note for 2013/14 are:-
- Fixed Assets this represents the value of the Crematorium's assets and includes the site land, two chapels, offices, staff bungalows, crematory and other equipment and stands at £3.9 million. All values remain fixed as at 1<sup>st</sup> April 2011 without depreciation, in accordance with Small Body Regulations. Additional appropriate Capital spend has been added to this value at cost. For 2013/14 an additional £126,503 has been included in the Total Asset value.

Classification: OFFICIAL

- Current Assets this relates to items that could be turned into cash at short notice and is made up of debtors i.e. money owed to the Crematorium, or short term investments. The Crematorium's short term investments are primarily monies invested for less than and up to one year or deposits held in call or notice accounts. Total current assets stand at £4.5million, an increase of £900,000 over the 2012/13 position which reflects the increase in the level of investments held.
- Current Liabilities this is the opposite of current assets and relates to money the Crematorium owes to external bodies and organisations amounting to £101,000, a decrease of £32,000 over the previous year. The main creditor for the Crematorium at year end is Chiltern District Council for service and salary recharges. It does not imply any delay in payment of monies owed.
- Equity this section shows how assets and liabilities are funded. Not all of the items shown here are cash backed reserves. The General Fund Account reserve represents amounts being held on behalf of constituent authorities to fund future capital projects.

#### General Fund Reserve

11. The apportionment between constituent authorities of the General Fund balance of £4.4 million as at 31 March 2014 is shown in the table below. The retention of the accumulated balance by the Joint Committee is necessary to meet scheduled future capital investment. This will be subject to further review when the financial strategy and 2014/15 budgets are considered later in the year.

District Council	Balance 31.3.2013 £	Apportionment 2013/2014	Balance 31.3.2014 £

## Appendix 1 Guidance notes on completing the 2013/14 annual return

- You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guides\* which are updated from time to time and contain everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you may encounter.
- 2 Make sure that your annual return is complete (i.e. no empty red boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the body, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- 4 Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Financial Officer or Chair.
- Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your body holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting statements. You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guides\*.
- Explain fully significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guides\* to assist you.
- 7 If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2012) equals the balance brought forward in the current year (Box 1 of 2014).
- 9 Do not complete section 3. The external auditor will complete it at the conclusion of their audit.

## CHILTERNS CREMATORIUM JOINT COMMITTEE 6<sup>th</sup> August, 2014

#### **INFORMATION ITEM**

(Contact Officer: Tina Pearce 01494 732233)

#### **RECOMMENDATION**

#### 1. That the following changes to Contract arrangements be noted.

Joint Contracts with South Bucks District Council

#### Background

Chilterns Crematorium contracts for certain services are let by Chiltern District Council and are included in the main Chiltern District Council contracts.

Chiltern DC and South Bucks DC are currently undertaking a review of contracts as they mature with a view to seeking joint contracts upon renewal, as part of the Shared Service approach to working. Currently there are three contracts newly let or in various stages of tendering which include the Chilterns Crematorium.

#### **Banking Services**

This contract has been let and was awarded to Barclays Bank. The migration to Barclays from the Co-Operative is in progress.

#### Insurance

The current insurance cover period has been extended to 31<sup>st</sup> March 2015; previously cover would have been up to 30<sup>th</sup> November 2014. This change of date brings Chiltern DC into line with the South Bucks DC renewal date and a joint tender exercise is currently being undertaken with the new joint contract due to come in to force on 1<sup>st</sup> April 2015.

#### **Payroll Services**
