### Notice Issued under Regulation 5 and 11 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 of the intention to consider an urgent report in private

Regulation 5 of the above Regulations requires 28 clear-days notice of a decision-making body's intention to meet in private, including a statement of the reasons for the meeting to be held in private. A further notice must be published at least 5 clear-days before the meeting repeating the information and detailing any objections (and any responses) to holding the meeting in private.

Where the date by which a meeting must be held makes compliance with this regulation impracticable, the meeting may only be held in private with the agreement of the Chairman of the relevant Overview & Scrutiny Committee that the meeting is urgent and cannot reasonably be deferred. Once agreement is reached a notice must be published setting out the reasons why the meeting is urgent and cannot reasonably be deferred.

Further Approach From County Council: Lease of site at London Road East	Cabinet 27 August 2013	Paragraph 3 of Schedule 12A of the Local Government Act 1972: Financial or business affairs of any person or organisation	The approach by the County Council was made after the notices were required to be published meaning that it was not possible to meet the timescales presented in the Regulations. It is considered urgent since an initial decision cannot reasonably be deferred without prejudicing the Council's interests.

Approval for this item to be considered in private by the Cabinet on 267 August 2013 was received from Councillor A Garnett (Chairman of the Performance & Resources Overview Committee) who agreed that the item was urgent and could not reasonably be deferred.
