153 MEDIUM TERM FINANCIAL STRATEGY 2016 - 22

Consideration was given to the report that contained the Council's Medium Term Financial Strategy, which was integral to complying with the Prudential Code that will enable the Council to undertake external borrowing as part of the financing of the Strategy. It expressed in a financial context how the authority will progress its key objectives and manage major financial risks over the medium term.

The Director of Resources advised members that the Medium Term Financial Strategy provided a stable financial environment for the Council to progress its aims and objectives but would remain under review to reflect any changes in the financial environment. It will underpin the forthcoming decisions on the budget and council tax for 2017/18, and would be updated as part of finalising the 2017/18 budgets. It was noted that the proposed Medium Term Financial Strategy had been considered by the Resources Overview Committee and Support Services Policy Advisory Group, who had commented on the importance of robust business cases to underpin major investment decisions,

and the sensitivity of some of the resource assumptions to housing growth numbers.

In response to a question from Councillor P Jones, the Director of Resources advised that current indications from government were that funding for new homes was to continue but the basis and system of funding would be changing and therefore this area would be kept under review. Councillor Stannard added that the delivery of new homes would also help to provide additional funding back into Council budgets from an increase in the volume of council tax being collected due to more properties in the District.

RESOLVED:

- ii) That the Treasury Management Strategy be updated to reflect the implications of the Medium Term Financial Strategy; and**

Councillor Stannard requested that the performance report information was submitted to the Cabinet, as soon as possible after the end of each quarter. The Communications, Policy and Performance Manager advised that the process of collating information from all service areas to be completed and presented to Cabinet did take a period of weeks in view of the validation of the figures that was required in some instances. 157 LOCAL AUTHORITY LOTTERY

Members considered the report which proposed that the Chiltern and South Bucks District Councils run a local authority lottery and both councils commission Gatherwell to operate the local authority lottery on behalf of both Chiltern and South Bucks District Councils.

Cllr MacBean entered the meeting at 5.00pm.

The Head of Communities, Health and Housing reported that many voluntary and community organisations were funded by local charity donations and /or grants from public bodies and in a period of austerity such public funding was reduced and organisations were finding it more difficult to access. It was explained that a local authority lottery could become a valuable source of additional fund raising for local community and voluntary organisations and be used as an exemplar fund raising platform. It was noted that the Vale Lottery run by Aylesbury Vale District Council had raised over £60,000 in 'Good Causes' funding in less than 9 months.

Members were advised that the proposed cost of establishing a lottery for Chiltern and South Bucks was £3,000, and it had been noted that the Community, Health and Housing Policy Advisory Group supported the proposal but some members had raised concerns that the reputation of councils should be maintained and it was agreed that the identity of the lottery would not be specifically linked to the Councils. The funding available from the lottery was to be ring fenced and supported good causes to link into the local community.

Councillor Harris suggested that the views of the Policy Advisory Group were that more information was required prior to pursuing a local authority lottery

and this should include a presentation to local voluntary and community groups to gauge their support and potential take up of the lottery if established.

RESOLVED:

That consideration to establish a local authority lottery in partnership with South Bucks District Council be deferred until a meeting of Cabinet on 7 February 2017; following obtaining further information on the proposal.
