

<b>SUBJECT:</b>	<i>King George V Playing Fields</i>
<b>RELEVANT MEMBER:</b>	<i>Councillor L Walsh, Portfolio Holder for Healthy Communities</i>
<b>RESPONSIBLE OFFICER</b>	<i>Head of Service, Healthy Communities</i>
<b>REPORT AUTHOR</b>	<i>Martin Holt 01494 732055 martin.holt@chilternandsouthbucks.gov.uk</i>
<b>WARD/S AFFECTED</b>	<i>Amersham on The Hill;</i>

### 1. Purpose of Report

To review the Cabinet report attached as Appendix 1 which will be considered by Cabinet on 23 April 2019.

### RECOMMENDATIONS

1. **To consider and comment on the Cabinet report which recommends Cabinet agree to undertake public consultation to appropriate land forming part of King George V playing fields and land to rear of electricity substation, Chiltern Avenue from public open space to a planning purpose.**

### 2. Reasons for Recommendations

2.1. As noted in its Terms of Reference, the Chiltern Lifestyle Centre Scrutiny Sub-Committee scrutinises the key stages of the developing final business case and associated Cabinet reports for the proposed redevelopment of the Chiltern Lifestyle Centre, including but not limited to, the future leisure facility provision within the district, the outcome of the operator and main contractor procurements, enabling development, and energy efficiency measures in order to provide the Cabinet with recommendations prior to related decisions being made.

2.2. The Cabinet report attached recommends an action which relates to the project. The Sub-committee are asked to comment on the contents and provide its views to Cabinet.

### 3. Content of Report

Please see the Cabinet report attached as appendix 1.

### 4. Consultation

As noted in the report (appendix 1)

**5. Options (if any)**

As noted in the report (appendix 1)

**6. Corporate Implications**

As noted in the report (appendix 1)

**8. Links to Council Policy Objectives**

Delivering cost- effective, customer- focused services  
Working towards safe and healthier local communities  
Striving to conserve the environment and promote sustainability.

**9. Next Steps**

The comments of the Sub-committee will be considered by Cabinet when considering the report at its meeting on 23 April 2019.
