

Item 10: Questions on Notice at Full Council

(Council Procedure Rule 9.2)

Question 1: Could councillors please be given details of the results and trends from the air quality monitoring in the Air Quality Management Area in Broad Street, Chesham? What response is CDC making to DEFRA's "Consultation on Draft Plans to Improve Air Quality"?

Submitted by: Councillor A Bacon

For: Councillor G Harris, Cabinet Member for Community, Health & Housing

Question received by the Proper Officer on: 28 October 2015

Question 2: Following the announcement by the Chancellor of the Exchequer that councils are to retain business rates by the end of this decade, but that distribution of core grant from Whitehall will also end, what affect will this have on a) Chiltern DC's finances and b) the level of Council Tax paid by our residents?

Submitted by: Councillor P Jones

For: Councillor M Stannard, Cabinet Member for Support Services

Question received by the Proper Officer on: 28 October 2015
