5. Determine that the Council's basic amount of Council Tax for 2017/18 is not excessive, in accordance with principles approved under Section 52ZB of the Local Government Finance Act 1992, [and thus there is no need to hold a Council Tax referendum].

## 2. Budget Position

- 2.1 The Cabinet meeting in February considered the financial position of the Authority for 2017/18 and future years, and recommended to this Council meeting the budget for 2017/18. All members of the Council have received a copy of the Cabinet report and the information in that report must be used to underpin any decisions taken at this meeting.
- 2.2 Members attention is drawn to Appendix A of the Cabinet report which contains the advice of the Chief Financial Officer<sup>1</sup> in respect of the budget as required under the Local Government Act 2003. Since that meeting information has been received from the major precepting bodies so that the Council is now in the position to agree the total 2017/18 council tax for the area.
- 2.3 The 2017/18 budget for Chiltern DC recommended by the Cabinet translates into a district council tax of £175.62 for a Band D property, which represents a £5 increase on 2016/17.
- 2.4 To this figure is added the cost of parish precepts, which average £64.06, and the major preceptors.
- 2.5 The following table consolidates the overall council tax position for 2017/18.

	2016/17		2017/18		Change
	£	£/Band D	£	£/Band D

- 2.6 Members are reminded of s106 of the Local Government and Finance Act 1992, which prohibits any Member who has not paid for at least two months his/her Council Tax when it becomes due, from voting on setting the budget and making of the Council Tax and related calculations.

<sup>1</sup> For Chiltern DC this officer is the Director of Resources.

**3. Links to Council Policy Objectives**

- 3.1 The setting of the council tax is the conclusion of the process by which the Council aligns its plans to further its corporate aims with the prudent and sustainable use of resources.
