CHILTERN DISTRICT COUNCIL

LICENSING AND REGULATION COMMITTEE

01 OCTOBER 2012 AT 10:00

1 CONSIDERATION OF AN OBJECTION NOTICE MADE IN RESPONSE TO A TEMPORARY EVENT NOTICE

Contact Officer: Robin Grey 01494 732140

RECOMMENDATIONS

That Members consider the objection notice served by Environmental Health in response to a temporary event notice and decide what action is appropriate for the promotion of the licensing objectives.

Matter for Consideration

- 1 To consider the counter notice served by Environmental Health in response to the Temporary Event Notice given for an event taking place between 00:00 and 03:00 on 01 January 2013 at the George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL, and decide if it is appropriate for the promotion of the licensing objectives to:
- i) give a counter notice; or
 - ii) not give a counter notice, but impose conditions on the temporary event notice that are attached to the Premises Licence that has effect in respect of the premises; or
 - iii) not give a counter notice and not impose any conditions.

Application

- 2 On 18 September 2012, Mr Nicholas Charalambous gave Chiltern District Council (the Licensing Authority) notice under section 100 of the Licensing Act 2003 of a temporary event that is proposed to take place between 00:00 and 03:00 on 01 January 2013 at the George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL. This notice is attached to the report as **Appendix A**.
- 3 The temporary event notice was simultaneously served on Thames Valley Police and the Environmental Health Department of Chiltern District Council to allow them to consider whether allowing the premises to be used in accordance with the notice would undermine the licensing objectives.

- 4 On 20 September 2012, Environmental Health served an objection notice as it was considered that allowing the premises to be used in accordance with the notice would undermine the prevention of public nuisance licensing objective. The objection notice is attached to the report as **Appendix B**.

Premises Licence

- 5 A Premises Licence was granted in respect of the premises on 25 October 2007 and this has subsequently been varied. The Licence is attached to the report as **Appendix C**. A number of mandatory conditions, conditions consistent with the operating schedule and conditions attached by the Licensing Authority at a hearing are attached to the Licence and these are shown in Annex 1, Annex 2 and Annex 3 of the Licence.

Decision to be made

- 6 The decision to be made by Members is outlined in paragraph 1 above.
- 7 Members are reminded that any decision made under the Licensing Act 2003 should be a view to promoting the licensing objectives.
- 8 In making its decision, Members must also have regard to the statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Licensing Policy. If Members depart from either, they must specify their reasons for doing so. The relevant sections of the Guidance are 1.2-1.5, 1.9, 2.33-2.40 & 7.34 and the relevant sections of the Policy are 2.1 & 6.10-6.12.
- 9 The Committee must consider the objection notice and take one of the following steps:
- i) give the premises user a counter notice under this section if it considers it appropriate for the promotion of the licensing objectives to do so; or
 - ii) Not give the premises user a counter notice.
- 10 If the Committee decide not give the premises user a counter notice, they may decide to impose one or more conditions on the temporary event notice that are imposed on the Premises Licence issued in respect of the premises (**Appendix C**) if they consider it appropriate for the promotion of the licensing objectives to do so. However, no condition can be imposed if it would be inconsistent with the carrying on of the licensable activities under the temporary event notice. If the Committee decides to impose conditions, the premises user must be given a decision notice that is accompanied by a separate statement (the "statement of conditions") which sets out the conditions that have been imposed on the temporary event notice.

NOTES**General**

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person (the "premises user") may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 14 below explains the definition of an "associate".

When permitted temporary activities take place, a premises user must ensure that either:

a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that

the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

Licensing Authority: *Chiltern District Council*

Ref:

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine up to level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed "premises user". Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, "premises" means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Licensing Authority: *Chiltern District Council*

Ref:

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of "entertainment facilities" for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Licensing Authority: *Chiltern District Council*

Ref:

Note 7

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 5 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours (seven days).

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 12

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 13

As stated under Note 12, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 5 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1 January to 31 December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an "associate".

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

Licensing Authority: *Chiltern District Council*

Ref:

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 14 below sets out the definition of an "associate".

Note 14

An "associate" of the proposed premises user is:

- (a) the spouse of that person;
- (b) a child, parent, grandchild, grandparent, brother or sister of that person;
- (c) an agent or employee of that person; or
- (d) the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

Note 15

It is a requirement that you send at least one copy of this notice to the licensing authority within the area that the premises is situated at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. You must also serve notice on the chief officer of the Police and the local authority which exercises environmental health functions within the area that the premises is situated. When submitting your TEN using this online form Chiltern District Council will inform these additional responsible authorities within its district on your behalf, and provide you with an electronic response which you must keep as proof that you gave the notice and when you gave it for the purposes of the Act. However, some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. The responsibility to serve notice on these other authorities and responsible authorities remains with the applicant. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

Note 16

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 17

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement). To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 18

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of the receipt of the notice.

Subject: 12/01297/LATEMP & 12/01298/LATEMP: George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL

Dear Mr Charalambous,

I am in receipt of two Temporary Event Notice's in relation to: George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL.

On behalf of Environmental Health, I wish to present an objection to the licensing authority under section 104(2) of the Licensing Act 2003. I am satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective, specifically the prevention of public nuisance.

It is noted that since the service of an Abatement Notice for statutory noise nuisance under the Environmental Protection Act 1990 on the 19th May 2011 there have been no substantiated allegations that the notice has been breached and that there has been an improvement in compliance with the conditions attached to the Premises Licence. However, permitting these TEN applications at this stage would result in the Premises Licence conditions not being transferred to the TEN's which means that there would be no safeguards in place to prevent public nuisance.

If the applicant were to agree to the transfer of conditions from the Premises Licence to both TEN's and would agree to limit their hours more substantially over the Christmas period and less so during the New Year period as below, this would be acceptable to Environmental Health:

12/01297/LATEMP 23/12/12 – 25/12/12: 22:30 to 00:30
12/01298/LATEMP 01/01/13: 00:00 to 02:00

Yours sincerely
Vicky Elliott

CHILTERN DISTRICT COUNCIL

LICENSING AND REGULATION COMMITTEE

01 OCTOBER 2012 AT 10:00

**CONSIDERATION OF AN OBJECTION NOTICE MADE IN
RESPONSE TO A TEMPORARY EVENT NOTICE**

Contact Officer: Robin Grey 01494 732140

RECOMMENDATIONS

That Members consider the objection notice served by Environmental Health in response to a temporary event notice and decide what action is appropriate for the promotion of the licensing objectives.

Matter for Consideration

- 1 To consider the counter notice served by Environmental Health in response to the Temporary Event Notice given for an event taking place between 22:30 and 02:30 on 23/24 December 2012 and between 00:00 and 02:30 on 25 December 2012 at the George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL, and decide if it is appropriate for the promotion of the licensing objectives to:
 - i) give a counter notice; or
 - ii) not give a counter notice, but impose conditions on the temporary event notice that are attached to the Premises Licence that has effect in respect of the premises; or
 - iii) not give a counter notice and not impose any conditions.

Application

- 2 On 18 September 2012, Mr Nicholas Charalambous gave Chiltern District Council (the Licensing Authority) notice under section 100 of the Licensing Act 2003 of a temporary event that is proposed to take place between 22:30 and 02:30 on 23/24 December 2012 and between 00:00 and 02:30 on 25 December 2012 at the George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL. This notice is attached to the report as **Appendix A**.
- 3 The temporary event notice was simultaneously served on Thames Valley Police and the Environmental Health Department of Chiltern District Council to allow them to consider whether allowing the

premises to be used in accordance with the notice would undermine the licensing objectives.

- 4 On 20 September 2012, Environmental Health served an objection notice as it was considered that allowing the premises to be used in accordance with the notice would undermine the prevention of public nuisance licensing objective. The objection notice is attached to the report as **Appendix B**.

Premises Licence

- 5 A Premises Licence was granted in respect of the premises on 25 October 2007 and this has subsequently been varied. The Licence is attached to the report as **Appendix C**. A number of mandatory conditions, conditions consistent with the operating schedule and conditions attached by the Licensing Authority at a hearing are attached to the Licence and these are shown in Annex 1, Annex 2 and Annex 3 of the Licence.

Decision to be made

- 6 The decision to be made by Members is outlined in paragraph 1 above.
- 7 Members are reminded that any decision made under the Licensing Act 2003 should be a view to promoting the licensing objectives.
- 8 In making its decision, Members must also have regard to the statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Licensing Policy. If Members depart from either, they must specify their reasons for doing so. The relevant sections of the Guidance are 1.2-1.5, 1.9, 2.33-2.40 & 7.34 and the relevant sections of the Policy are 2.1 & 6.10-6.12.
- 9 The Committee must consider the objection notice and take one of the following steps:
 - i) give the premises user a counter notice under this section if it considers it appropriate for the promotion of the licensing objectives to do so; or
 - ii) Not give the premises user a counter notice.
- 10 If the Committee decide not give the premises user a counter notice, they may decide to impose one or more conditions on the temporary event notice that are imposed on the Premises Licence issued in respect of the premises (**Appendix C**) if they consider it appropriate for the promotion of the licensing objectives to do so. However, no condition can be imposed if it would be inconsistent with the carrying on of the licensable activities under the temporary event notice. If the Committee decides to impose conditions, the premises user must be given a decision notice that is accompanied by a separate statement

(the “statement of conditions”) which sets out the conditions that have been imposed on the temporary event notice.

NOTES**General**

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person (the "premises user") may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 14 below explains the definition of an "associate".

When permitted temporary activities take place, a premises user must ensure that either:

a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that

the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

Licensing Authority: *Chiltern District Council*

Ref:

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine up to level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed "premises user". Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, "premises" means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Licensing Authority: *Chiltern District Council*

Ref:

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of "entertainment facilities" for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Licensing Authority: *Chiltern District Council*

Ref:

Note 7

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 5 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours (seven days).

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 12

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 13

As stated under Note 12, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 5 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1 January to 31 December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an "associate".

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

Licensing Authority: *Chiltern District Council*

Ref:

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 14 below sets out the definition of an "associate".

Note 14

An "associate" of the proposed premises user is:

- (a) the spouse of that person;
- (b) a child, parent, grandchild, grandparent, brother or sister of that person;
- (c) an agent or employee of that person; or
- (d) the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

Note 15

It is a requirement that you send at least one copy of this notice to the licensing authority within the area that the premises is situated at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. You must also serve notice on the chief officer of the Police and the local authority which exercises environmental health functions within the area that the premises is situated. When submitting your TEN using this online form Chiltern District Council will inform these additional responsible authorities within its district on your behalf, and provide you with an electronic response which you must keep as proof that you gave the notice and when you gave it for the purposes of the Act. However, some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. The responsibility to serve notice on these other authorities and responsible authorities remains with the applicant. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

Note 16

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 17

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement). To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 18

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of the receipt of the notice.

Subject: 12/01297/LATEMP & 12/01298/LATEMP: George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL

Dear Mr Charalambous,

I am in receipt of two Temporary Event Notice's in relation to: George Inn Public House, 137 High Street, Chalfont St Peter, Buckinghamshire, SL9 9QL.

On behalf of Environmental Health, I wish to present an objection to the licensing authority under section 104(2) of the Licensing Act 2003. I am satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective, specifically the prevention of public nuisance.

It is noted that since the service of an Abatement Notice for statutory noise nuisance under the Environmental Protection Act 1990 on the 19th May 2011 there have been no substantiated allegations that the notice has been breached and that there has been an improvement in compliance with the conditions attached to the Premises Licence. However, permitting these TEN applications at this stage would result in the Premises Licence conditions not being transferred to the TEN's which means that there would be no safeguards in place to prevent public nuisance.

If the applicant were to agree to the transfer of conditions from the Premises Licence to both TEN's and would agree to limit their hours more substantially over the Christmas period and less so during the New Year period as below, this would be acceptable to Environmental Health:

12/01297/LATEMP 23/12/12 – 25/12/12: 22:30 to 00:30
12/01298/LATEMP 01/01/13: 00:00 to 02:00

Yours sincerely
Vicky Elliott
