Dear Bob

Annual Audit and Certification Fees 2016/17

We are writing to confirm the audit and certification work that we propose to undertake for the 2016/17 financial year at South Bucks District Council.

Indicative audit fee

For the 2016/17 financial year Public Sector Audit Appointments Ltd (PSAA) has set the scale fee for each audited body, following consultation on its Work Programme and Scale of Fees.

The fee reflects the risk-based approach to audit planning set out in the National Audit Office's Code of Audit Practice for the audit of local public bodies.

The audit fee covers the:

- audit of the financial statements
- value for money conclusion, and
- Whole of Government Accounts.

For South Bucks District Council our indicative fee is set at the scale fee level. This indicative fee is based on certain assumptions, including:

- the overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year;
- officers meet the agreed timetable of deliverables;
- internal controls for the key processes identified in our audit strategy operate effectively;
- we can rely on the work of internal audit as planned;
- our accounts opinion and value for money conclusion are unqualified;
- the Council provides appropriate quality of documentation;

- there is an effective control environment; and
- prompt responses are provided to our draft reports.

Meeting these assumptions will help to ensure the audit is delivered at the indicative audit fee set out in the table below.

As we have not yet completed the audit for 2015/16, our planning process for 2016/17 will continue as the year progresses. Fees will be reviewed and updated as necessary, within the parameters of our contract.

Certification fee

The PSAA has set an indicative certification fee for housing benefit subsidy claim certification work for each audited benefits authority. The indicative fee is based on actual 2014/15 benefit certification fees, and includes a 25 per cent reduction.

The indicative certification fee is based on the expectation that an audited body is able to provide the auditor with a complete and materially accurate housing benefit subsidy claim with supporting working papers, within an agreed timetable.

The fee for 2016/17 relates to work on the housing benefit subsidy claim for the year ended 31 March 2017. We have set it at the indicative fee level. We will update our risk assessment after we complete 2015/16 benefit certification work, and to reflect any further changes in the certification arrangements.

Summary of fees

	Indicative fee 2016/17 £	Planned fee 2015/16 £	Actual fee 2014/15 £
Total Code audit fee	42,399	42,399	56,532
Certification of housing benefit subsidy claim	20,895	19,280	27,860

Any additional work that we may agree to undertake (outside the Code of Audit Practice) will be separately negotiated and agreed with you in advance.

Billing

The indicative audit fee will be billed in four quarterly instalments of £15,823.50.

Audit plan

We expect to issue our plan in early 2017. This will communicate any significant financial statement risks identified, planned audit procedures to respond to those risks and any changes in fee. It will also set out the significant risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with the Director of Resources and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Audit Committee.
